Reflections . . .

We, as youth, are the most impressionable members of our society today. The changes in our surroundings and in ourselves are reflected in us. We are the image of happiness, the echo of doubt, the spark of compassion, and the flicker of hope for a new tomorrow.

In a complex world of frustrations and fears, we seek to find ourselves. We meet hardships and overcome them. We share new experiences and experience new situations. We find understanding through communication of ideas. We meet the challenges of daily existence, and we learn to cope with life as it is.

A glance into the future reflects only past memories, a tiny portion of our ever changing lives reflected in the mirrors of our minds.

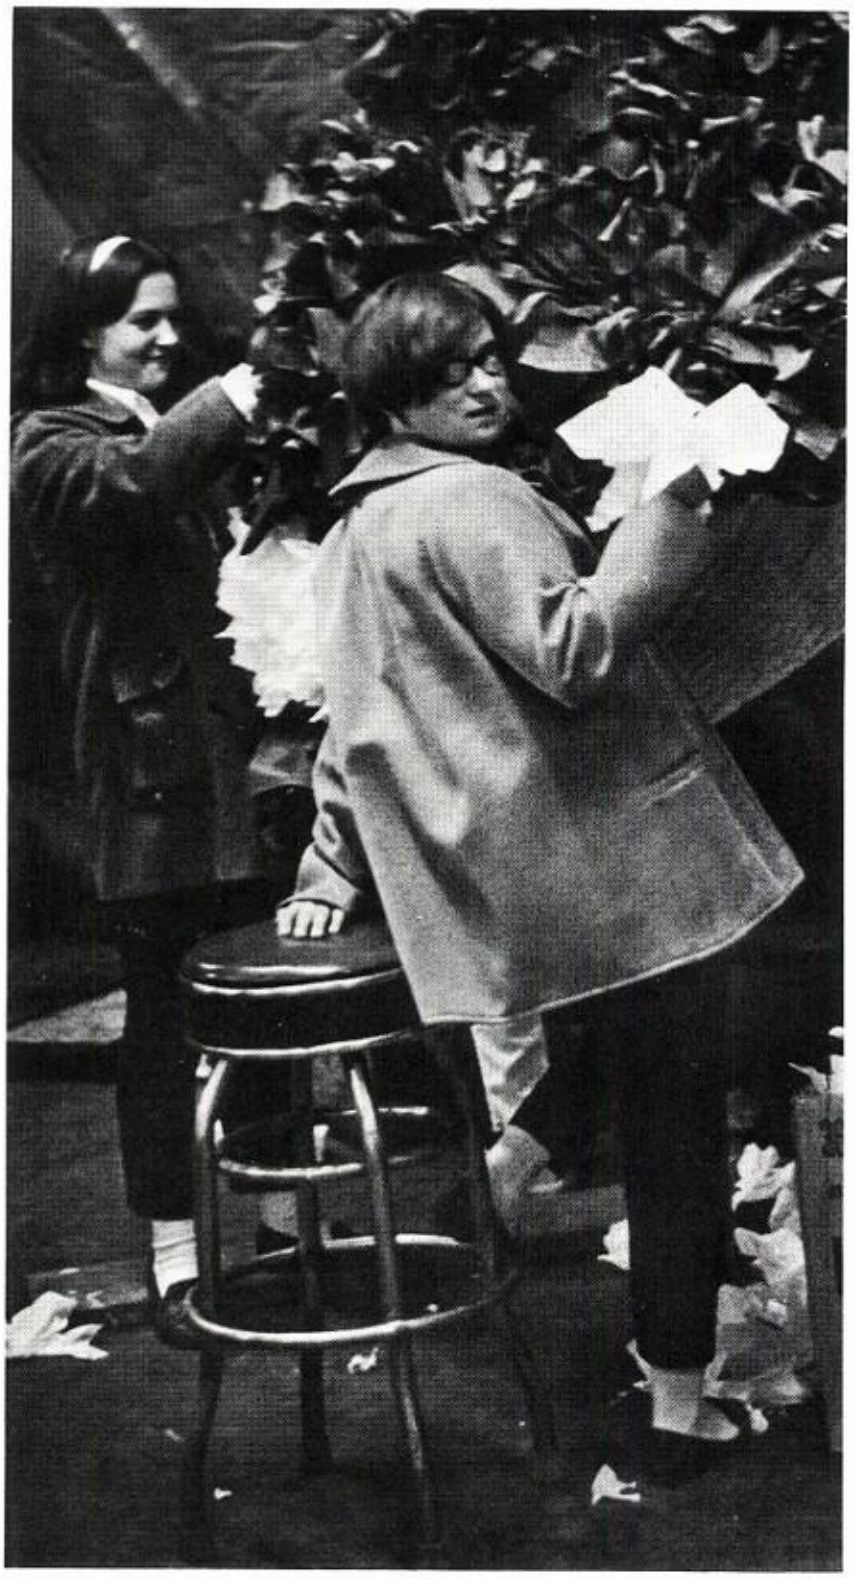
Homecoming '68

Preparations for the 1968 Homecoming began with nightly work parties for the decorating of the float. Sporting a huge football and the East Thunderbird on a white and red backdrop, the float was used to carry the princesses to and from the game. While this project was sponsored by the Senior Class, organization for the traditional bonfire was delegated to the juniors. The bonfire had a good turnout. It featured a Dimond effigy which was poised at the height of the flames. Led by the cheerleaders, the Eastsiders concluded the event by snakedancing around the fire.

Other activities designed to increase Homecoming spirit included a Car Decorating Contest and a Pep Assembly. Automobiles adorned with crepe paper streamers, colorful signs, and paper mache objects were judged for originality and best expression of Homecoming spirit. Winners were included in the bus caravan on game night. In the Pep Assembly, the cheerleaders and band combined to raise Eastside spirit.



Each separate part of the Homecoming float is painstakingly done here by Kathy Money and Delia Otter in order to make it perfect.

Band members at the pep assembly heighten loyalty and enthusiasm in their spirited rendition of "Rock Around the Clock."

Barbie Underwood, Jaymi Chron, Jill Chron, Mary Stephens, and Sandy Simon proudly exhibit their winning entry in the car decorating contest.

Homecoming Princesses Susan Lynch, Debbie Craig, Chris Drake, Diane Emerson, Becky Thomas, and Nancy Stepp pose on the float just prior to leading the bus caravan to the game.

Trumpet player Corky Kellogg leads the band in "Lacey's Special."

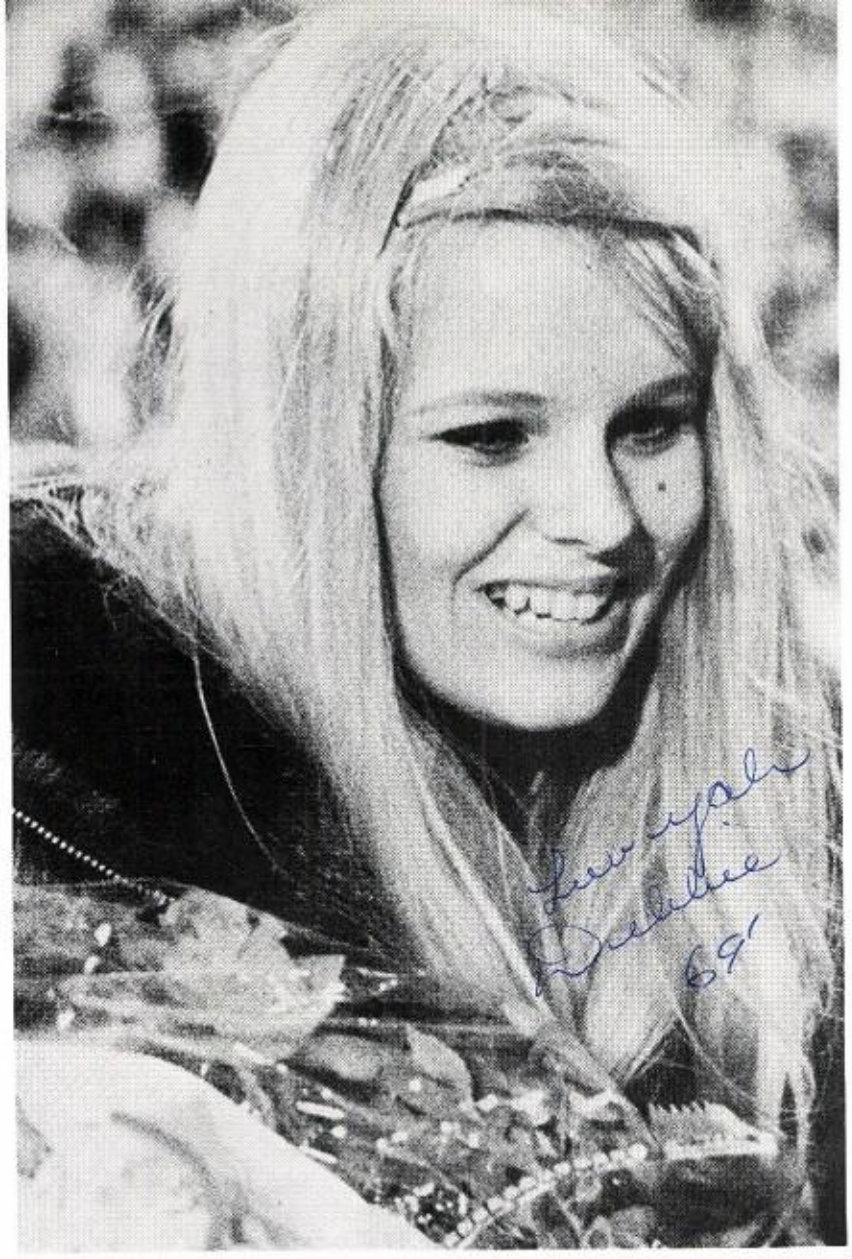
Homecoming '68

Homecoming night, September 27, was the result of furious preparation and activity. The East Thunderbirds battled the Dimond Lynx for a capacity crowd at Mulcahy Stadium. At halftime, the flag corps and majorettes preceded the band onto the field for their routines. Following the band's performance, the princesses and their escorts were presented to the audience.

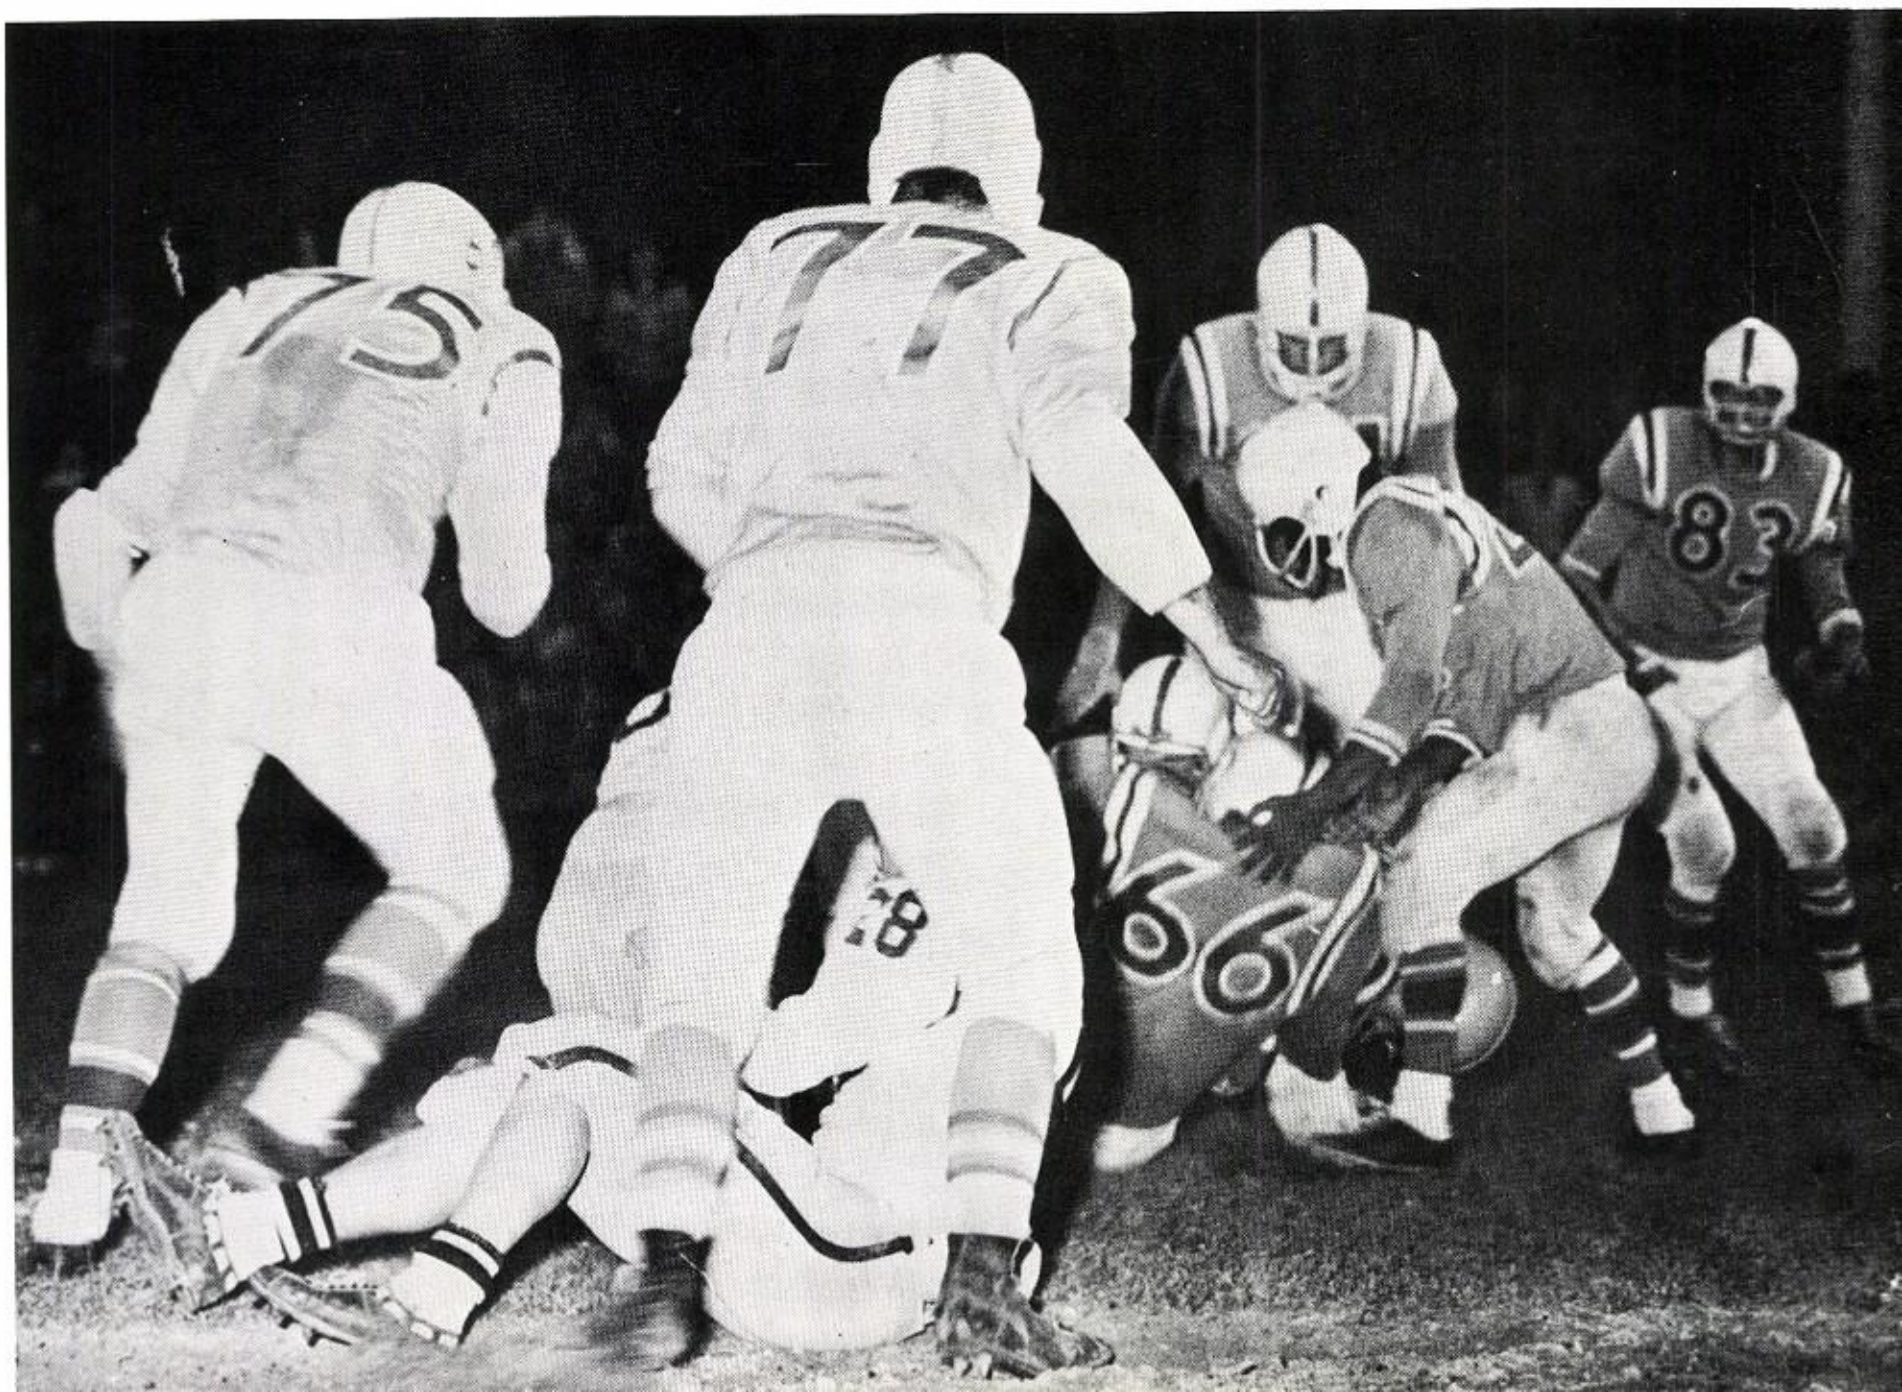
Queen Debbie Craig received a trophy and roses and was escorted by Bob Conklin through the traditional DeMolay Arch of Swords. As a finalé the Queen was carried around the field by Key Club members while the band played.

The Thunderbirds charged into the game to beat the Lynx for a 30-7 victory. At the closing gun, Eastsiders, thronging onto the field, chanted "Championship, championship, here we come!" In the same mood participants returned to the school for a dance featuring the Manhattan Project band.



Smiling exuberantly over her bouquet of roses and trophy, donated by Bovey Trophies, Queen Debbie Craig is cheered by the crowd.

Clay Hansen (66) tackles a Dimond player as Rick Payne (75) and Mike Cornell (77) rush to assist.



Fort Rich Homecoming

The Fort Richardson Homecoming festivities began Friday night, September 20, with a bonfire and street dance at the Field House. Saturday afternoon the queen candidates were presented to the audience and escorted to their seats to watch the Huskies battle the Kenai Kardinals.

The day's events were climaxed by the naming of Bonnie Alvarado as Huskie Homecoming Queen. Dave Rael and Eugene Golden, co-captains of the Huskie team, presented her with a bouquet of roses. Honor attendants were Marie Nichols, Sharon Skidmore, and Barbara Dickinson. Other candidates included Karen Cofer, Kit O'Leary, Jackie Hussey, Kris Webber, and Carol Jigliotti. Terminating the activities was a dance at the teen center honoring the queen and her court.

Awaiting the announcement of the queen are senior candidates and their escorts: Bonnie Alvarado, Doug Tharp, Barbara Dickinson, Pete Stormer, Carol Jigliotti, and Joe Wilson.

East High Students demonstrate that the beat really does go on at one of the many basketball dances held in the cafeteria.

Sports Dances

Building spirit and adding color to the social life of its students are the intent of the East High sports dances. Dances, held traditionally after football and basketball games, have long been an important facet in the extracurricular activities of high school pupils.

All sports dances were held in the cafeteria at East and were sponsored by the student council. Decorations were supplied by the dance committee whose chairman was Patty Iverson. Included in the committee were Vicki Catching, in charge of decorations, and Margo Bell, in charge of entertainment. All dances were cleared through Mr. Bernie Warren, assistant principal in charge of activities. Mr. Frick and Mr. Levis were on hand to collect tickets. Furnishing the refreshments were clubs assigned to the games.

First this year was the Homecoming Dance at which Queen Debbie Craig and her court were honored. Following the Homecoming Dance were the Christmas Dance and several basketball dances.

Junior Prom

The evening of November 1, 1968, was a night to remember. Couples gathered at Fort Richardson Officers' Club for the Junior Prom in honor of the Senior Class. The theme for that evening, "Love is Blue," was expressed by the light blue draped curtain decorations and by the music provided by the Seven O'Clock Solution.

Mr. Bill Frick, assistant principal, was master of ceremonies for the evening's entertainment. He presented Rhonda Gardner and Sandy Wren with roses in recognition of their work as co-chairmen of the prom.

The high-light of the evening was the crowning of Tom Wellman and Rhonda Gardner as king and queen. They led the royalty in the coronation dance as the band played, "Hey, Jude."

Thunderbird Dinner

November 9 marked the finale of many weeks of hard work and planning in preparation for the annual Thunderbird Dinner. Kerry Kennedy, overall chairman of the dinner, worked closely with committee chairmen in organizing promotion campaigns which brought over $5,000.

The hundreds who attended the event enjoyed a meal of salisbury steak, mashed potatoes, gravy, and ice cream which was served by members of Epsilons. Madchen members directed guests to the entertainment program which was provided by approximately 30 student groups. A fencing demonstration, a simulated dating game, a tricycle race, and performances by the choir and band were among the variety of activities which highlighted the evening.

Senior Debbie Moore is intrigued by the photography of Mr. McLane and Mr. Geiger on display during the T-Bird Dinner.

Christmas

In the air was a feeling of Christmas. All the noise and bustle that goes along with the season could be heard in the halls of East. The atmosphere was electric with excitement and anticipation. Students were whisked up in a whirlwind of activities which preceded the Christmas holidays. The annual canned food drive began with a slow start, but before the week had ended the final count resulted in over 8,000 cans.

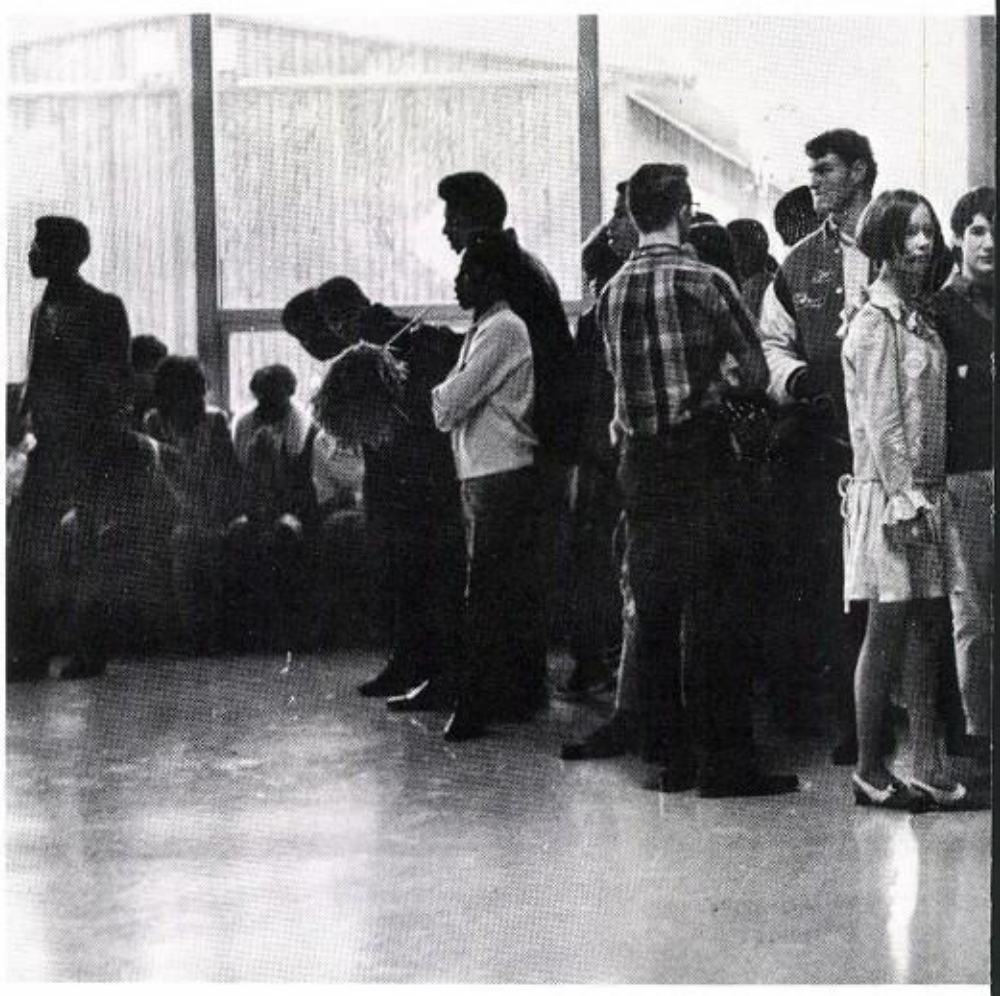
The door decorating contest started on Monday and by Friday almost all the homeroom doors were dressed in their festive apparel. Many different ideas appeared on the doors and the general appearance was one of holiday cheer. Mrs. Renner's homeroom had the prize-winning door.

Again this year the Alumni Tea was held in the East High Cafeteria. The purpose of the tea was to reunite East graduates and ex-students with old classmates, teachers, and staff. This tea helped renew acquaintances.

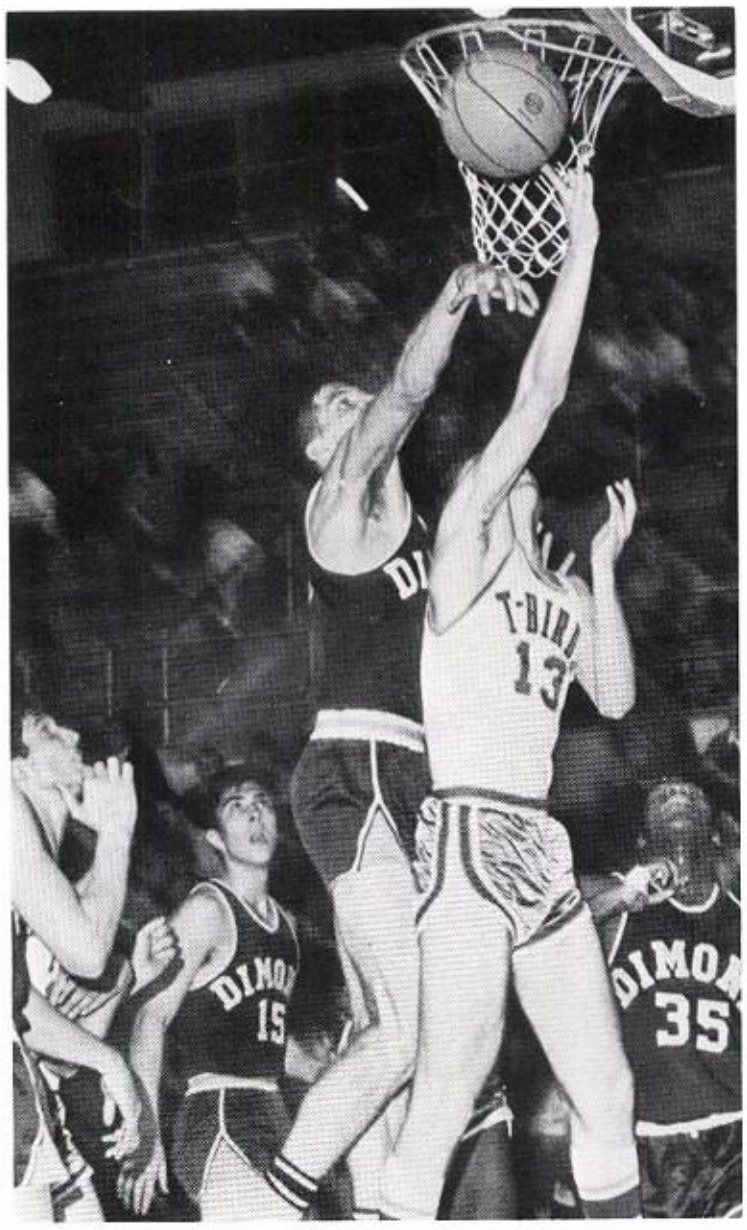
Even the administration was in the Christmas spirit and on Friday afternoon gave the students a "sock hop." Music was supplied by a live band, the Seven O'Clock Solution, who played many of today's popular songs for the students.

Linda Jefferson, Eddie Brown, and Carl Woods return to their alma mater for the Alumni Tea held over the Christmas holidays.

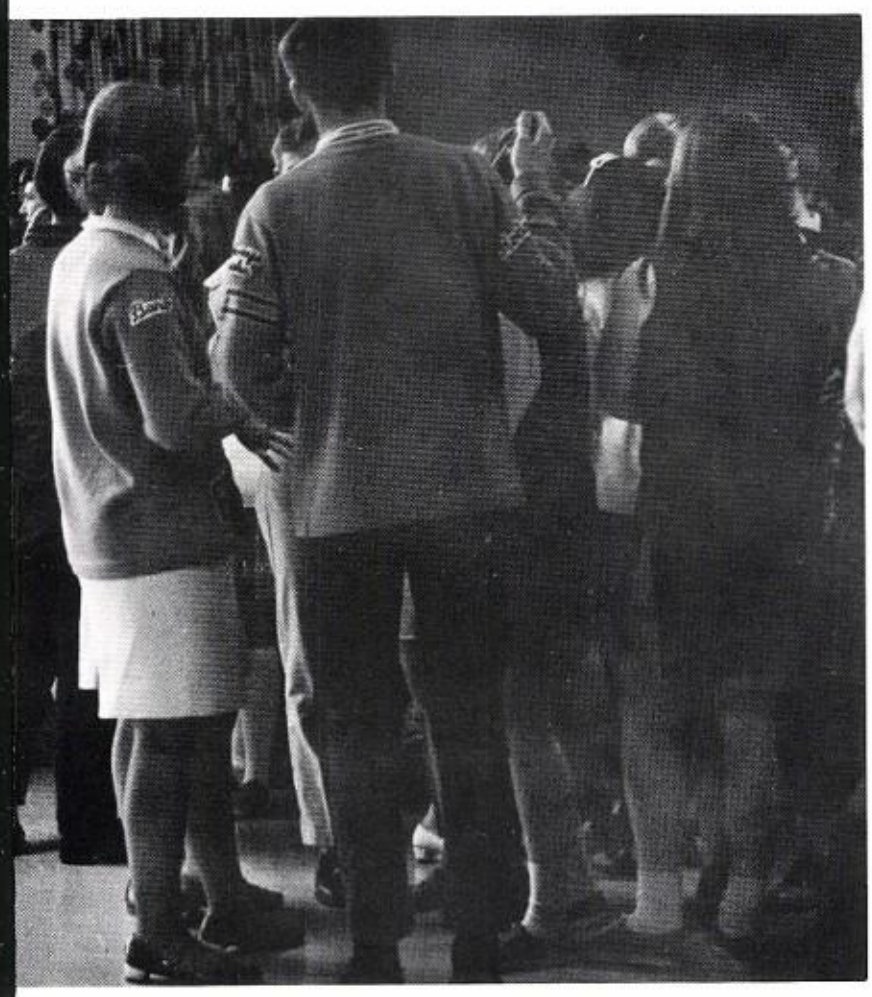
Tara Garrett looks on amused as Santa tries to persuade Brenda Johnson to take the traditional position on his knee and tell her Christmas wish.



As a surprise the administration gave the student body a "sock hop" at which the Seven O'Clock Solution played.



Basketball found its way into the Christmas holidays in the form of the annual Christmas tournament. Curt Brandon (13) lays up the ball for two points.



Senior Rhonda Aubrey puts the finishing touches on the door which she created for Mrs. Renner's homeroom.

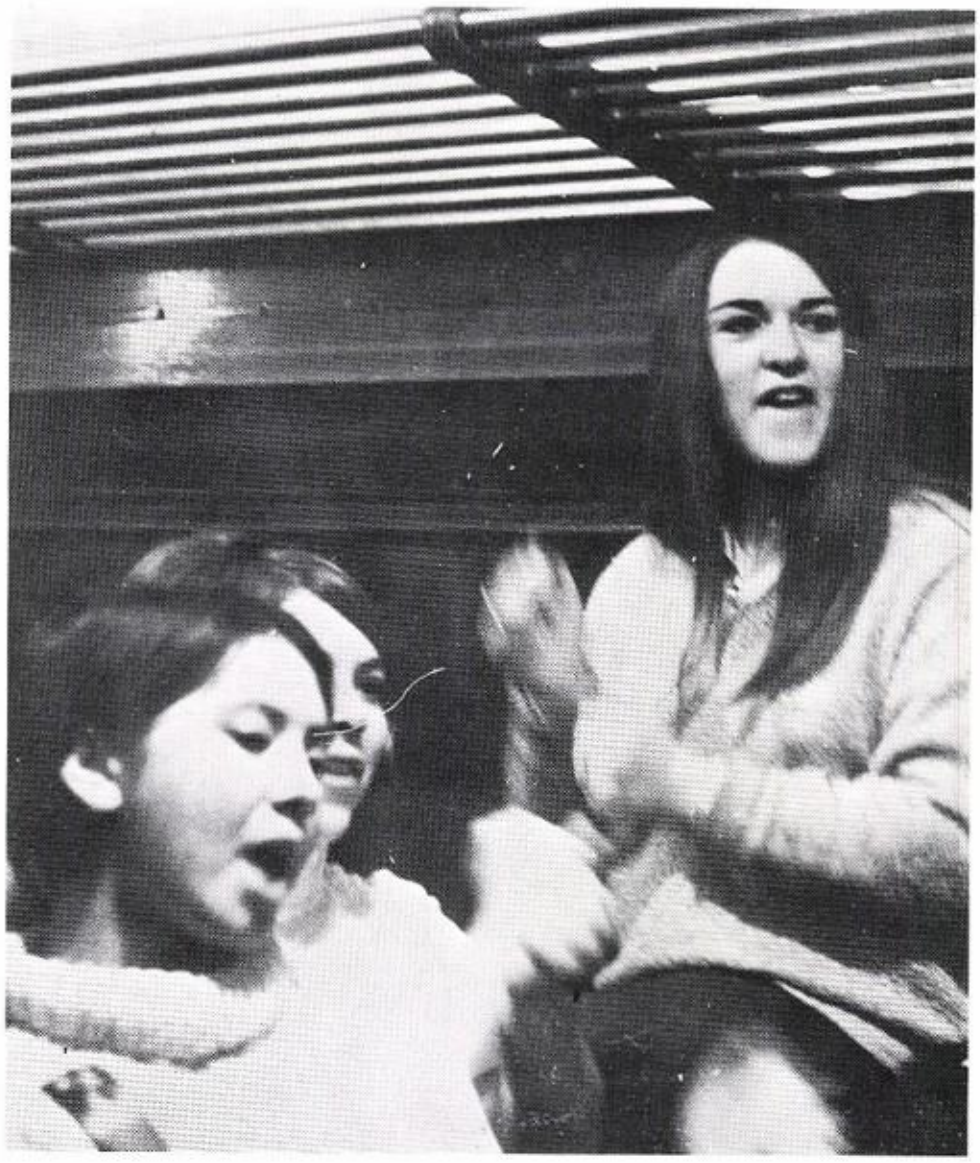
Palmer Train Trip

Despite the cold temperatures of 15 degrees below zero, a large turnout of East students participated in the Palmer Train Trip on January 17. The Pep Club sponsored the refreshment stand for the benefit of the students and the faculty chaperones.

After jumping off the train and going in the wrong direction, East students made a grand entrance into the Palmer school. Pep Club, with their matching sweaters and pompons, created a special effect from a distance.

The East High JV basketball team showed excellent tactics as they outscored the Moose by a score of 82-45. Although the students cheered heartily the East varsity was defeated by a score of 66-63.

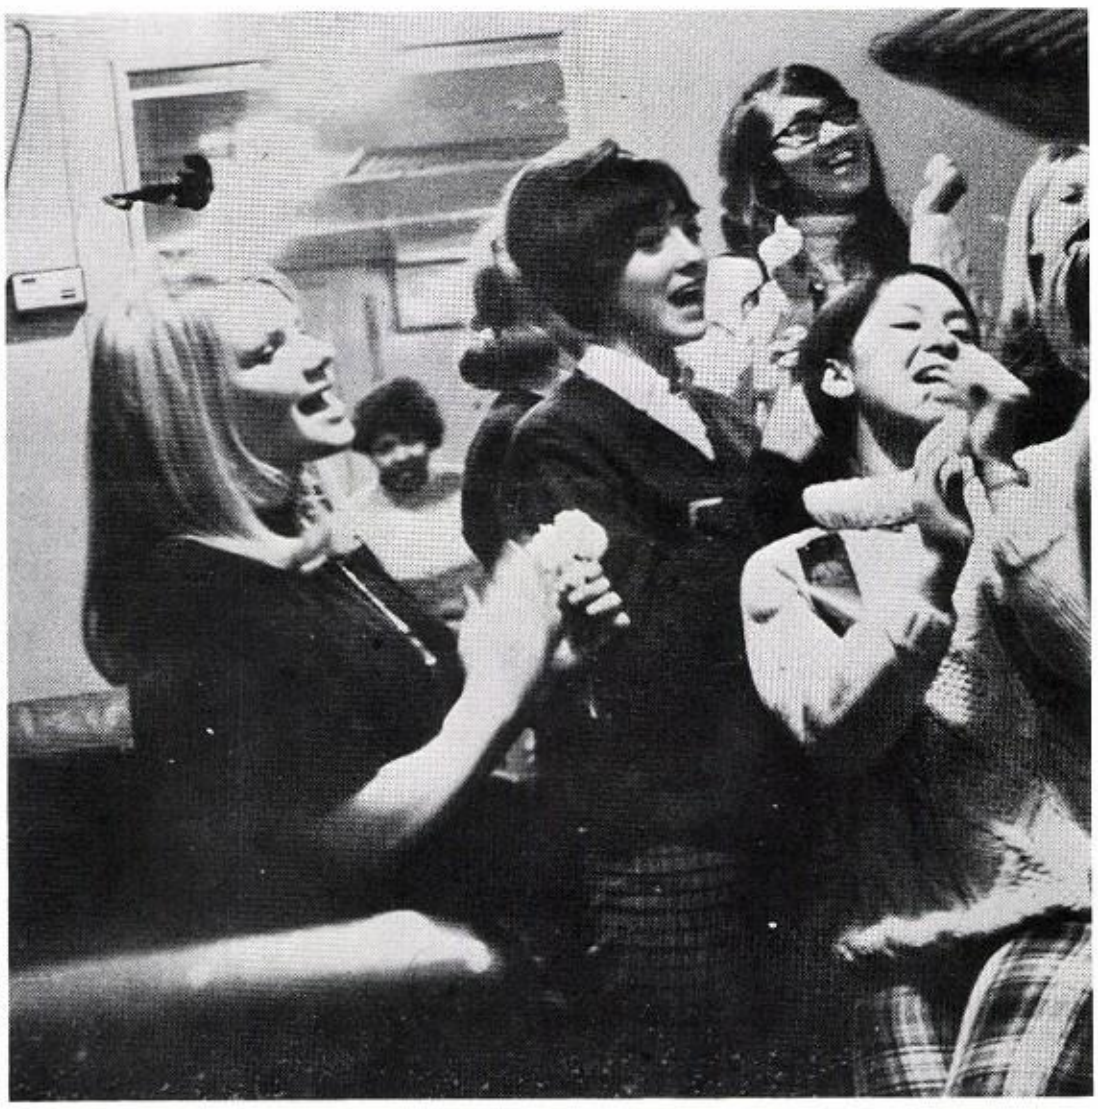
After the close game, East High Thunderbirds, not losing their spirit, tracked back to the train for the return trip to Anchorage.



Connie Leask, Gloria Buenafe, and Cheryl Iverson enthusiastically lead cheers as the train chug-a-lugs along.

In nippy weather East High students Dan Walker, Bob Smith, Tina Truet, and Mary Vokacek wait in line to board the train to Palmer.

"I'm not gonna move from this seat until the train starts, " bellows Gloriette Thompson as Jill Mohr laughingly coaxes her.



Cheers on the "East High Special" are led by Janet Kiehn, Gloria Hudson, Gloria Buenafe, and Persi Regal.

Mr. McLane accepts his assignment as station master while he checks in passengers.

Senior Class Play

I Remember Mama, was presented by the Senior Class under the direction of Mr. Wayne Mergler on January 31 and February 1 in the East High auditorium.

The play centered around a Norwegian immigrant family in San Francisco in the early 1900's. Mama, Becky Shear, was the heart of the family while Papa, Dave Hammock, supervised the household.

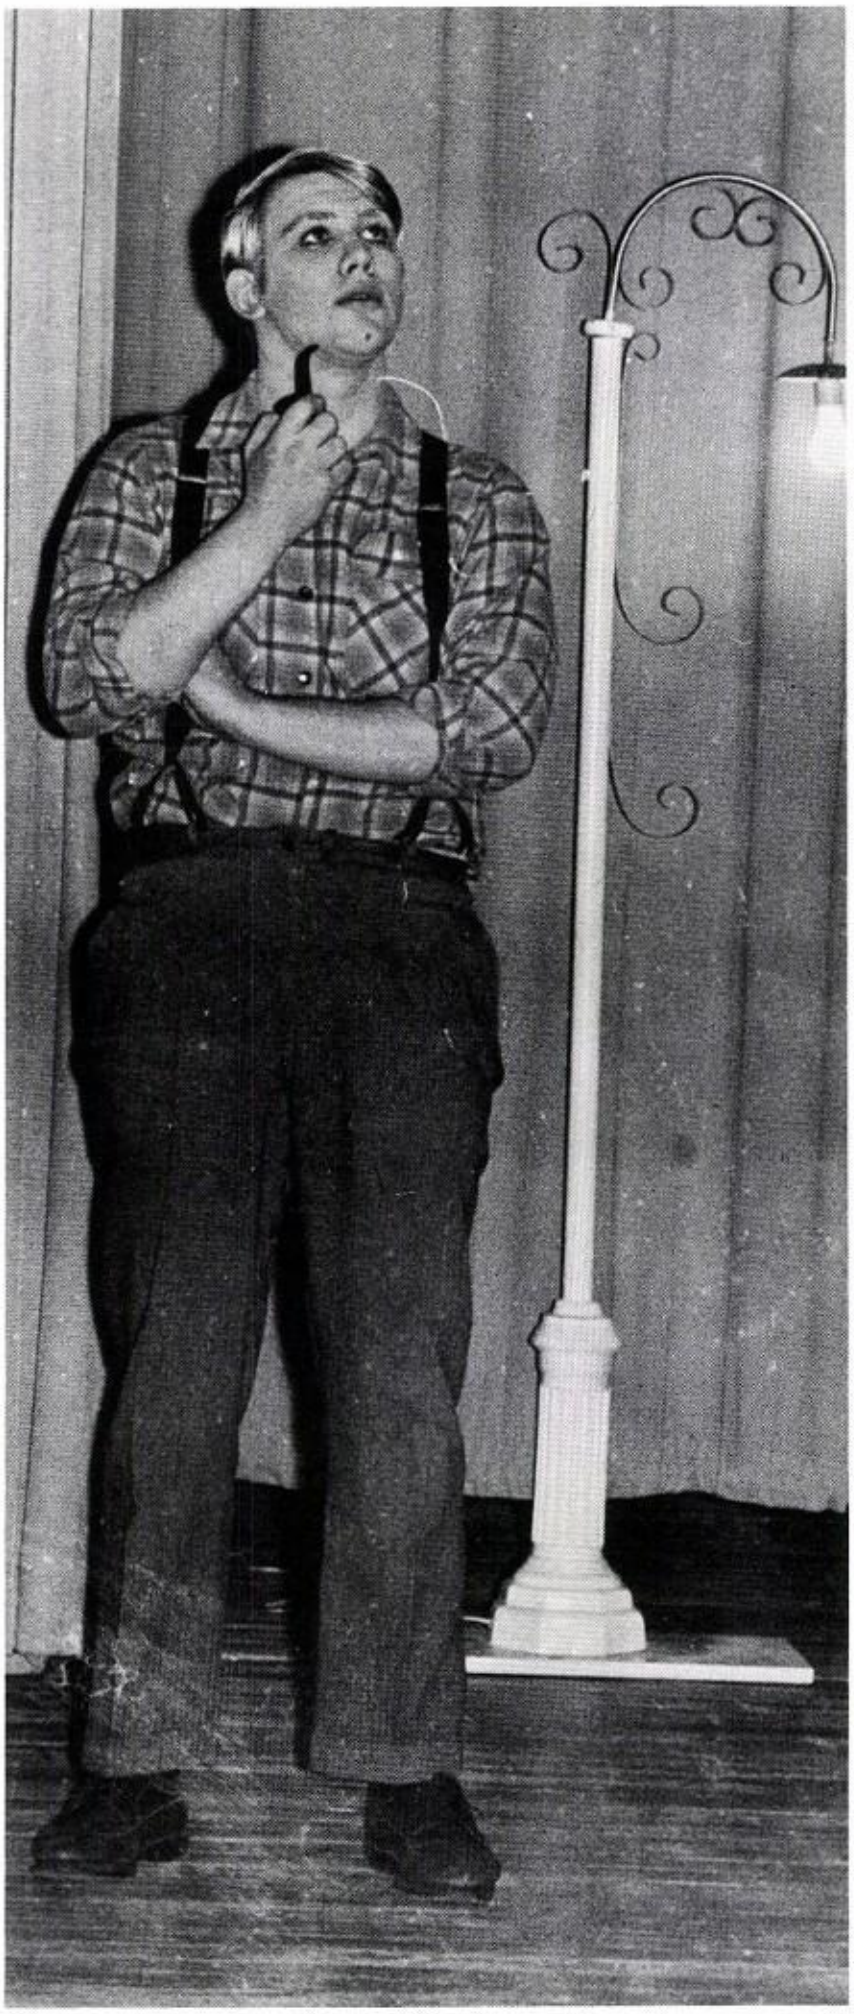
The story is narrated by Katrin, Kathy Ross, the daughter who aspires to become a writer. Other members of the family included Nels, Bob Ortalda, the only son; Christine, Robin Kissinger; and little Dagmar, Starla Fontana. Also adding to the comedy were three interfering aunts and the frightening Uncle Chris.

I Remember Mama was a heart-warming drama of American family life, and of a strong woman who held her family together.

Clay Hansen confronts Gloriette Thompson with bitter words over Starla Fontana's sickness as speechless members of the family watch.

Lee Phillips timidly asks Clay Hansen for the dowry as Gloriette Thompson and Laura Maakestad give a little moral support.

Becky Shear reveals Dave Hammock's generosity with his money and kindness to the skeptical aunts.



Dave Hammock, excluded from the private talk of Laura Maakestad and Becky Shear, waits patiently outside the house.

"Why George, the baby looks just like you," exclaims Laura Maakestad while she and Lee Phillips enjoy a few moments in the park.

KEAR

KEAR, East Anchorage Radio, is in its third year of operation. Starting as an idea in the 1966-67 school year, KEAR has grown to a small scale radio station. The station broadcasts before school, during both lunches, and after school from the projection room above the auditorium.

Sponsored by Mr. James Hamilton and run completely with the efforts and free time of four students, KEAR is the only inter-school radio station in the state.

The students instrumental in the operation of KEAR are Marvin Godwin, Frank Tonnema, Jerry Balthazore, and Darryl Berkley.

Fur Rendezous

With the Mr. Fuzz Face and the Miss Gay Nineties contests kicking off the Fur Rendezvous, East entered the spirit of the holiday. Mike Cornell was chosen Mr. Fuzz Face, while the Miss Gay Nineties costume winner was Linda Biederman.

The annual parade began Saturday's Rendezvous activities with participants from the East Band, led by Roger McClure; the cheerleaders, led by Connie Leask; the Flag Corp, led by Vicki Phillips; the Baton Corps, led by Vicki Bingaman; the Thunderbird Mascot, represented by Kathy Otcheck; and the ROTC Unit, led by Colonel Miller.

In December, Eastsider Gwen Gregg won the Miss Elmendorf contest. She claimed the coveted title and crown of Miss Alaska on February 21.

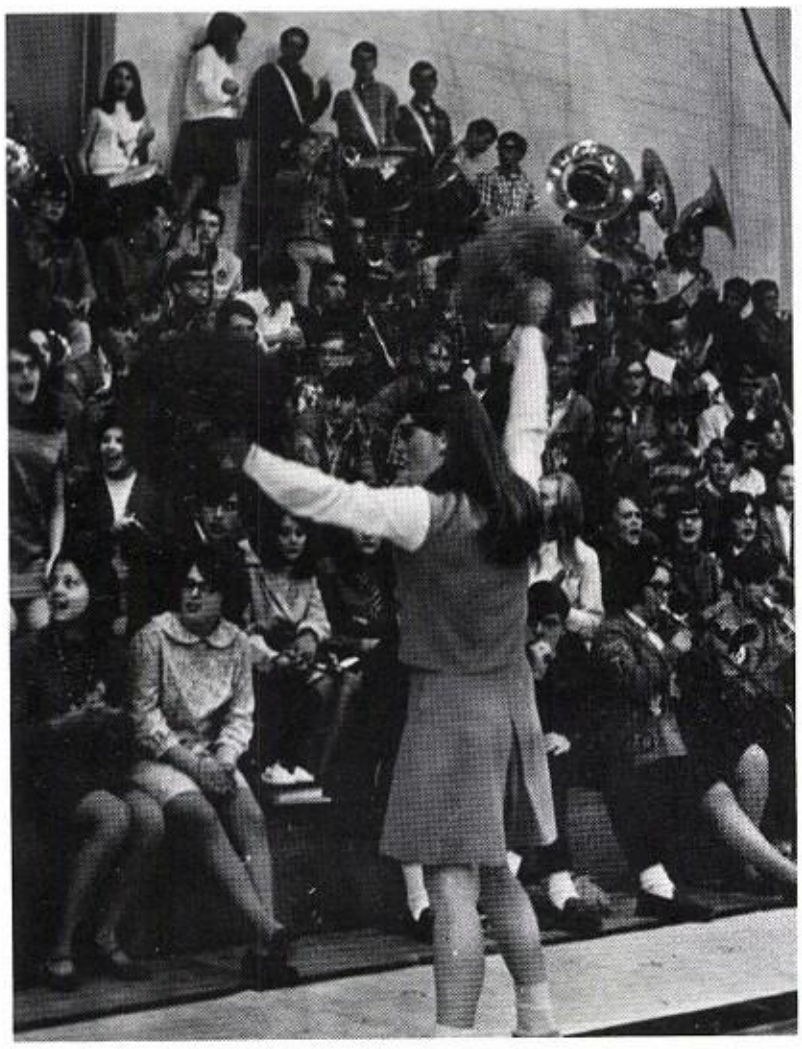
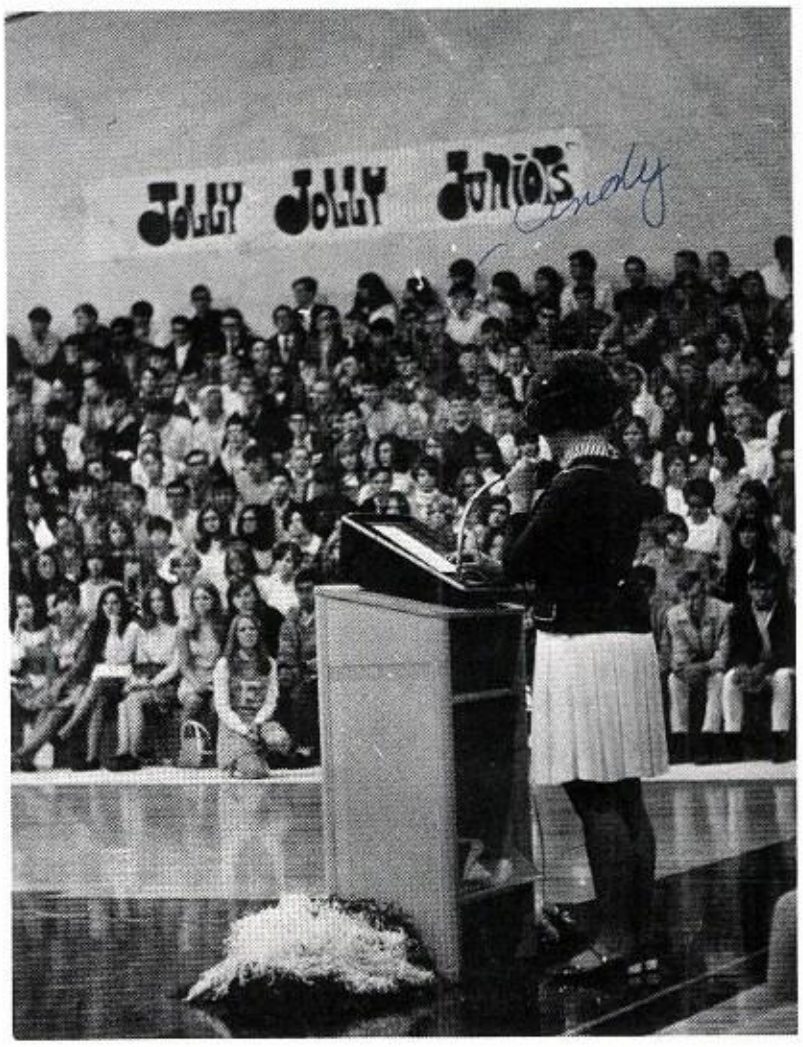
Cheryl Iverson, varsity cheerleader, leads the Junior Class in their class yell with the aid of JV cheerleaders Barb Swanson and Gloria Hudson.

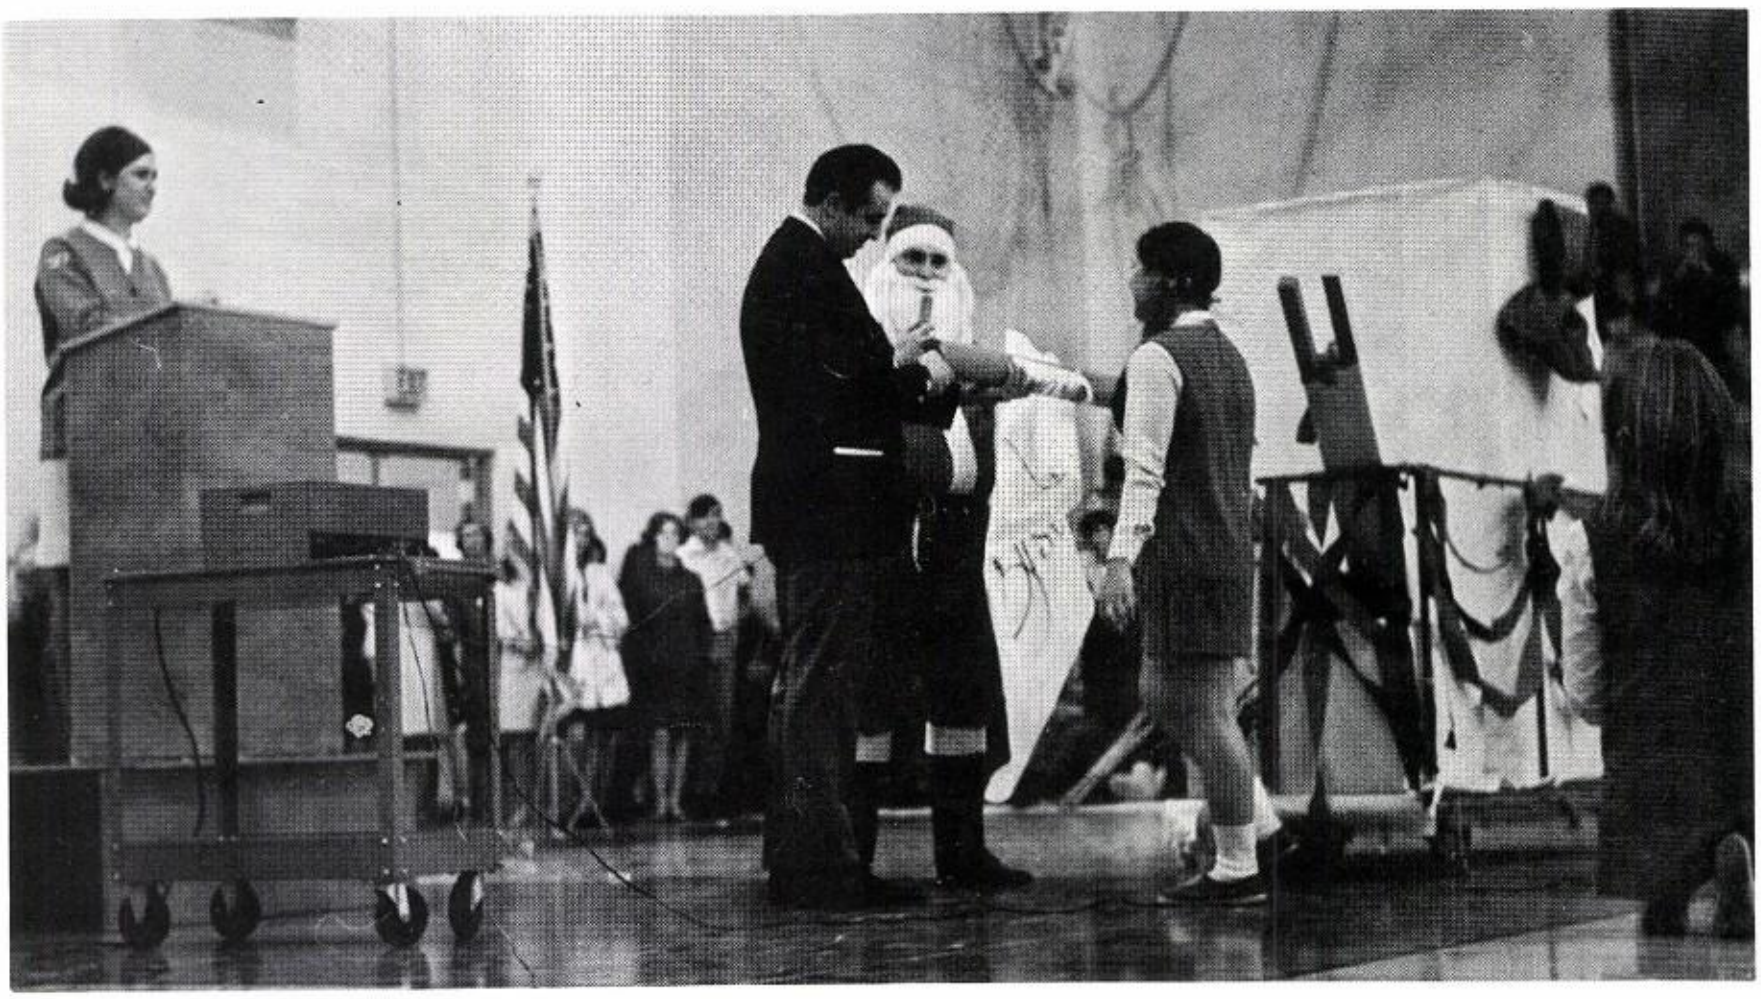
Vicki Bingaman, fire twirler, displays her captivating talent before the pep assembly.



Connie Leask leads the crowd in a spirited rendition of "Lacey's Special" in an all school pep assembly.



New students are given a special welcome by Barb Brundage, student body president, at the first assembly of the year. Returning students are also invited to join in the festivities of the coming year.



During the Christmas Assembly, Barb Brundage and Gloria Buenafe appreciate the humor of Coach Bob Durado's gift from Santa, Mr. Clutter, as much as he does himself.

Varsity Football

The East High Thunderbirds started practice early in the month of August in preparation for the 1968 season. Assisted by Coach Bob Senden, Head Coach Bob Durado combined the talents of his players to make a winning team.

The T-Birds finished the season with seven wins and one loss and their fourth consecutive Cook Inlet title. The season began with the defeat of the Dimond High Lynx, 20-12. Toward the middle of the season, East was in a four-way tie for the conference title. The Thunderbirds defeated the three other contenders in consecutive games with the decisive game being against the Kenai Kardinals, 7-6. The T-Birds ended the season with a 12-0 victory over the West High Eagles on a playing field covered with two inches of snow. West was the only team that defeated the East High Thunderbirds all season.

This year the East Thunderbirds placed seven men in the All-Conference team. David Balthazore was one the the two men in the All-Conference line-up that received a slot on both offense as a guard and on defense as a defense back. The other T-Bird gridders on the All-Conference team were Ken Cusack, offensive end; Edgar Green, defensive back; Mike Benson, offensive tackle; Bill Cowell, offensive back; Clay Hansen, offensive tackle; and Mike Portlock, quarterback.

Huskie Football

The Fort Rich Huskie football team was considered one of the most improved ball clubs of the 1968 football season. Although they faced a grueling season, they scored against many of the powerhouses in the league.

Head Coach Bill Davis and his assistants worked through the season with the team trying for the winning combination of a good running back field and a strong front line. Their efforts were rewarded by the naming of Willy Robinson to the All-Conference team as an offensive back.

JV Football

The East High junior varsity football team was unsurpassed by all their challengers. Under the combined talents of Coaches Del Lowery and Howard Hoskens, the JV's chalked up a perfect score of four straight wins. Head Coach Lowery, who gave the boys the incentive for a successful season, had high praise for his team.

The 1968 junior varsity gridders established a record of hard work unprecedented before by any East JV football squad. Their efforts throughout the season improved their skills as football players for the coming year.

Coach Ronald LaValley gives his runners a short pep talk before a meet.

Cross Country

The T-Birds ranked third in a series of meets among the four cross country track teams in the state. To improve the team, Coach Ronald LaValley helped each member individually.

T-Bird practice sessions, which began early in the school year, included an average of five to six miles of running per night. Time trials were held before each meet to determine the best runners for each competition.

The season was climaxed at the state meet at AMU in which over 100 runners from eight teams participated. Bela Bodnar, East's top runner, placed third in the AMU contest and was later named "Most Outstanding Team Member." Senior David Root was cited as the "Most Improved Runner" for East.

Members of the East cross country team are Coach LaValley, Tom Watson, Mike King, Les Huttunen, Bela Bodnar, Dave Root, Doug Parker, George Church, and Craig Morrow.

Varsity Basketball

Building a strong team from only three returning lettermen, Coach Chuck White powered his East High T-Birds to their third consecutive Railbelt Championship, with a 10-2 victory in 1969.

Victory followed victory throughout the season, but the greatest disappointment came in the form of a 66-55 defeat to Lathrop, thus terminating a 32 game winning streak, spanning more than three years, on our home floor.

Exciting highlights of the season included a two point overtime victory against the Lathrop Malemutes, a 63-62 margin over the Palmer Moose, and a close match against cross town rival West on February 7. The Thunderbirds were triumphant in that contest only after three overtimes and four points on the foul line contributed by senior guard Ken Cusack. The final score resulted in a 74-70 victory for East.

An unusual factor about this year's squad was the placement of two sophomores on the varsity team, Jim (Bo) McNab and Edward Green. The team worked long and hard to promote the T-Birds to their very respectable record of 15-3 for the 1968-69 season.

Two Fairbanks players watch as Edward Green shoots a goal for East.

JV and Sophomore Basketball

Under the direction of Coach Howard Hosken, the JV hoopsters posted a record of 15 wins and 3 losses for 1968-69 basketball season. This fine showing enabled the JV squad to capture the JV championship. They were matched against Palmer, Chugiak, West, Dimond, Fairbanks, and Kenai. Sparking the JV team's victorious drive were three outstanding ball players, Dave Morgan, Gary Pennywell, and Gid Palmer. Among others, these players will be a valuable addition to the varsity squad next year.

Sophomore efforts were also successful. The rampaging sophomore cagers, led by Coach Bob Durado, finished the season with a perfect record. The undefeated team proved its superiority over all their local rivals in the action-packed season.

CLUBS and ORGANIZATIONS

Pep Club

"East 100" was the name that was chosen for Pep Club this year. Only the most eager and enthusiastic students at East were included in the 100 members. Honorary members were cheerleaders, majorettes, football players, and basketball players.

Megaphones, sweaters, and buttons started the action at pep assemblies and games. The spirit was united into one mass objective in order to let the T-Birds know someone cared. The "East 100" displayed their support of the teams by painting signs to be put up around the school and by using flash cards to help promote school spirit.

Key Club

The East High Key Club is a chapter of the boys' service organization sponsored by Kiwanis International. Dedicated to service to the school and the community, many Key Club activities consisted of projects performed as the need arose throughout the year. One of these activities included parking cars at the Governor's Ball. Among the social activities of the group was the annual Keyheart Dance, which included the selection of a queen from the girls at East.

Under the direction of Mr. Baxter, Key Club's projects were organized by the group's officers. They include Kelly Loran, president; Dean Ryland, vice-president; Craig Ronning, treasurer; and Bob Conklin, secretary. Larry Smith, a senior, served as Lt. Governor for the Anchorage Division of the Pacific Northwest District of Key Club International.

Epsilons

Epsilons fulfilled their purpose as a service club through many activities. During Homecoming, they sponsored the Car Decorating Contest. In October new members were formally installed during an afternoon tea.

Besides being responsible for the gaily-flowered cafeteria, Epsilons provided their support during the Thunderbird Dinner by helping in the kitchen. During Christmas they sponsored a Post Office, through which Epsilons delivered personal greetings of the student body throughout the school. They also cheered the sick and aged by caroling at local hospitals and nursing homes. A spring fashion show and Epsilon Banquet concluded the roster of activities.

Madchen

Madchen, an all girls' service club which was organized last year, has proved an asset in promoting good will and service within East High and the surrounding communities. Under the supervision of Mrs. Cato and Mrs. Beier, the club rushed into the spirit of things, when a Halloween party was held in October at Ridgeview Rest Home for the elderly and handicapped. Other such visits were made on holidays, and monthly projects were then scheduled at hospitals and rest homes. Activities for the year included ushering for the Thunderbird Dinner, intermediate book drive, a senior tour of AMU, a gaily planned initiation, and a proposal of serving refreshments at the military lounge in the airport for servicemen on their way to and from Vietnam. The activities were brought to a close in May at an annual banquet.

Alpha Omega Psi

From the birth of this newly returning service club came a spirit drive demonstrated by coeds of East High. Alpha Omega Psi was sponsored by Mr. Baxter and Mr. Schroyer in a joint effort with its members to promote intra-school spirit as well as volunteer services in doing odd jobs. Some of the jobs included the removal of snow from sidewalks, cleaning up the parking lots and school grounds, raising and lowering the American Flag, and assisting at school dances and other school activities. Functions for the year included a Psychedelic Booth, participation in straightening after the T-Bird Dinner, a Fairbanks trip to the basketball tournament for the purpose of supporting the team, several light shows for the dances, and the Student Talent Show.

Experienced members of the club had the opportunity to work at Alaska Psychiatric Institute and Alaska Native Service Hospital.

Medical Club officers for 1968-69 were Linda Harper, president; Debbie Moore, secretary; Sharon Witt, treasurer; and Gail Schmidt, student council representative. Mrs. Louise Peck sponsored the group.

Math Club

The Math Club promoted fellowship among students and further stimulated their interest in topics not included in the regular course.

To qualify students had to be in their second year of study and have a B average in mathematics. Members with a B plus average were eligible to be full members and to belong to Mu Alpha Theta, a national mathematical club.

The club welcomed back old members and initiated new members on November 25. As a yearly program, the club again sponsored the Math Association of America contest in the spring. The students were encouraged to particiapate in preparing for the contest.

Debate Club

Under the leadership of Robert Ortalda, president, Debate Club renewed its dedication to development of speaking skills. While considering topics of current interest during meetings and holding inter-club debates at East, the members also had outside activities. One of these was the annual Speech Festival, in which East competed against West, Dimond, and Chugiak.

Debate Club was organized into four teams of two members each for inter-school contests. Topics were varied and emphasis was placed mainly on persuasive skill.

Of particular interest to East's debaters was the National Debate Topic. This year it was "Resolved: that the United States should establish a system of national service for all citizens." Pros and cons were enthusiastically debated under the guidance of Mr. Dale Magstadt, sponsor.

The primary purpose of the German Club was to have a place where people who were interested in the German language and culture could come to study and learn.

The Thunderbird Dinner project, which was the main project for the 1968-69 year, included slides, a puppet show, and displays of knick knacks from Germany. The members gave out German Chocolate candy to the visitors.

Another project was the Oktoberfest. This after school festival included such things as German food, German relics on display, and German music.

GAA

The purpose of the Girls' Athletic Association was to teach sportsmanship and to encourage the spirit of fair play.

Activities of the 1968-69 season included basketball, volleyball, and badminton playdays. GAA also refereed junior high volleyball games. An important event was the popular Powderpuff Football game held during the Thunderbird Dinner. GAA finished the year with the Mother-Daughter Banquet at which participation awards were given.

Legend

The LEGEND, a book composed of an entire year of school life, portrayed pictures of various happenings and emotions felt by students of East.

Members of the staff were specially selected on the basis of grades and work ability. Undertaking this project was a big responsibility, for each person realized that a great amount of work and extra time was involved.

In addition to the annual, the staff published a magazine which illustrated literary ability from students at East.

Dave Hammock shows Kathy Money, LEGEND editor, some pictures which have just been developed as Kym Harkins works on an individual assignment.

John Main, LEGEND photographer, checks out camera equipment while associate Mark Bear contemplates some shots before a picture-taking mission.

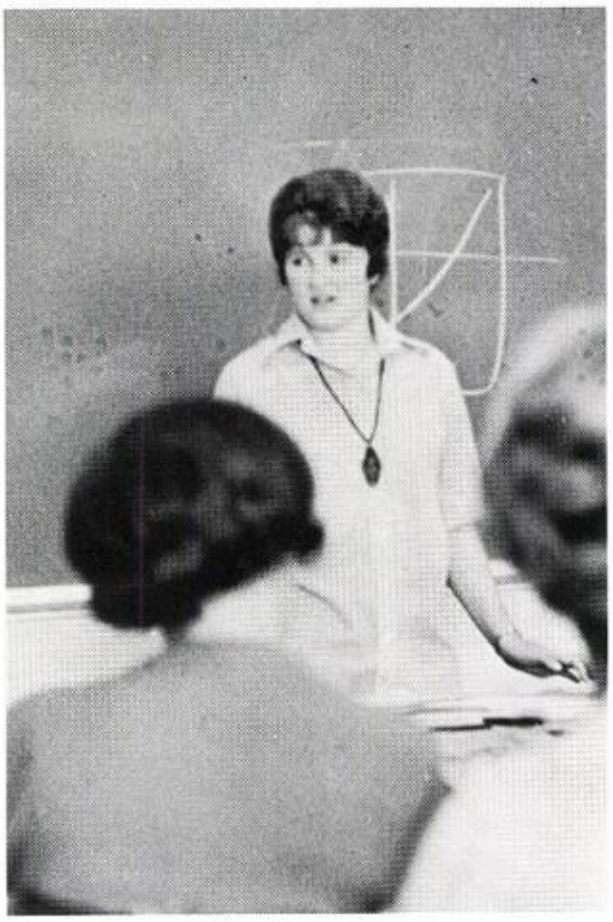
Echo

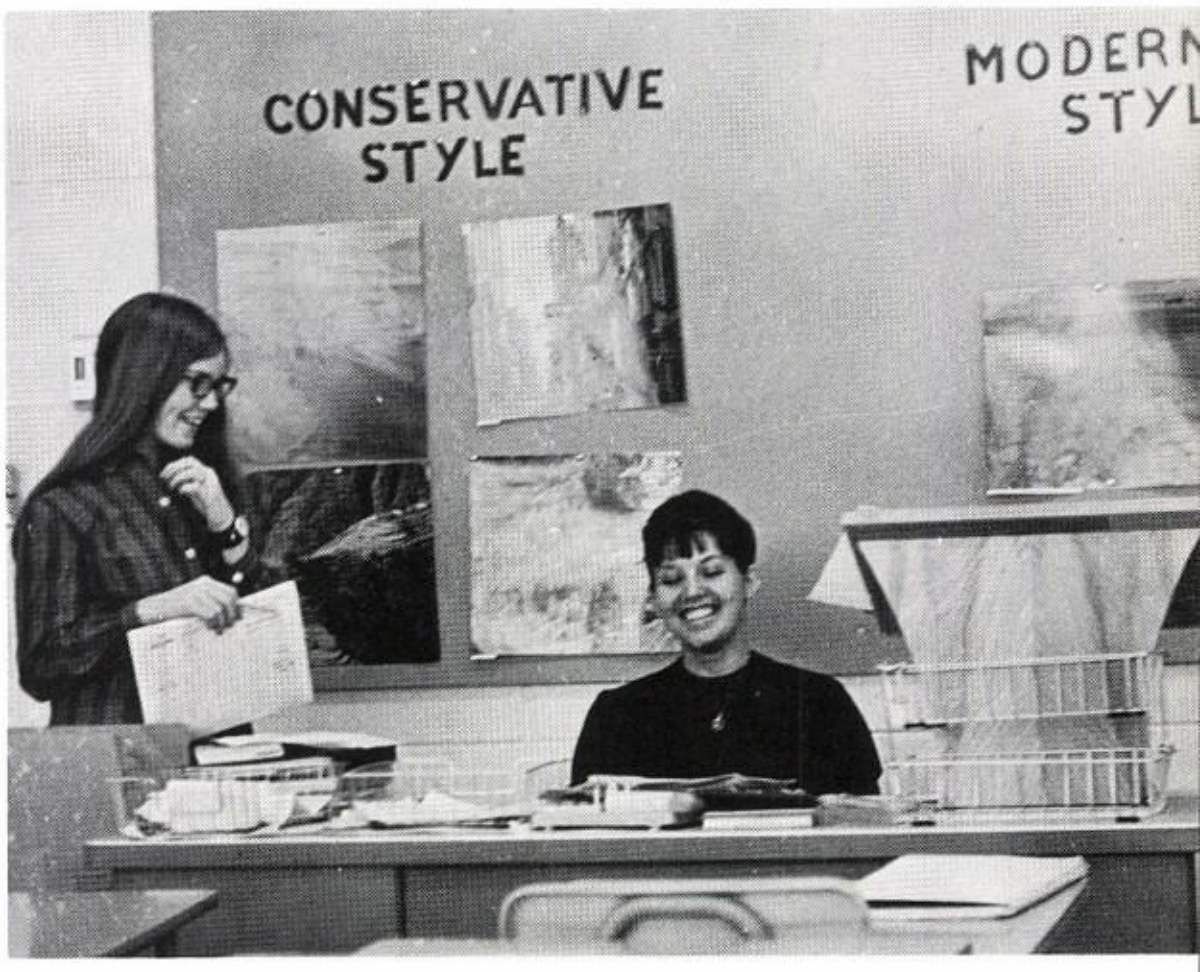
The purpose of the school newspaper has always been to furnish the student body with up to date facts about curriculum, social activities, and sports. Fulfilling the duty of supplying factual, interesting, and accurate reports to both students and teachers has been a constant responsibility for the ECHO staff.

In obtaining a position on the newspaper staff, each student had to show capabilities of working well with others, along with an ability to write, and a "good nose for news."

Smiling, Mary Cross looks up from her work as she types her article for the ECHO sports section.



Cathy Wellman, editor, leads an oral critique following one of the twice monthly publications of the ECHO.



Lynn Pratt, fashion editor, and Mrs. Redmond, journalism advisor, chuckle as they read one of the ECHO's original cartoons.

Mark Bledsoe, student director, leads the band members in a scale to warm up their instruments.

Gloriette Thompson, Rolf Bilet, Kerry Kennedy, and Don Soden perform with vigor at a pep assembly.

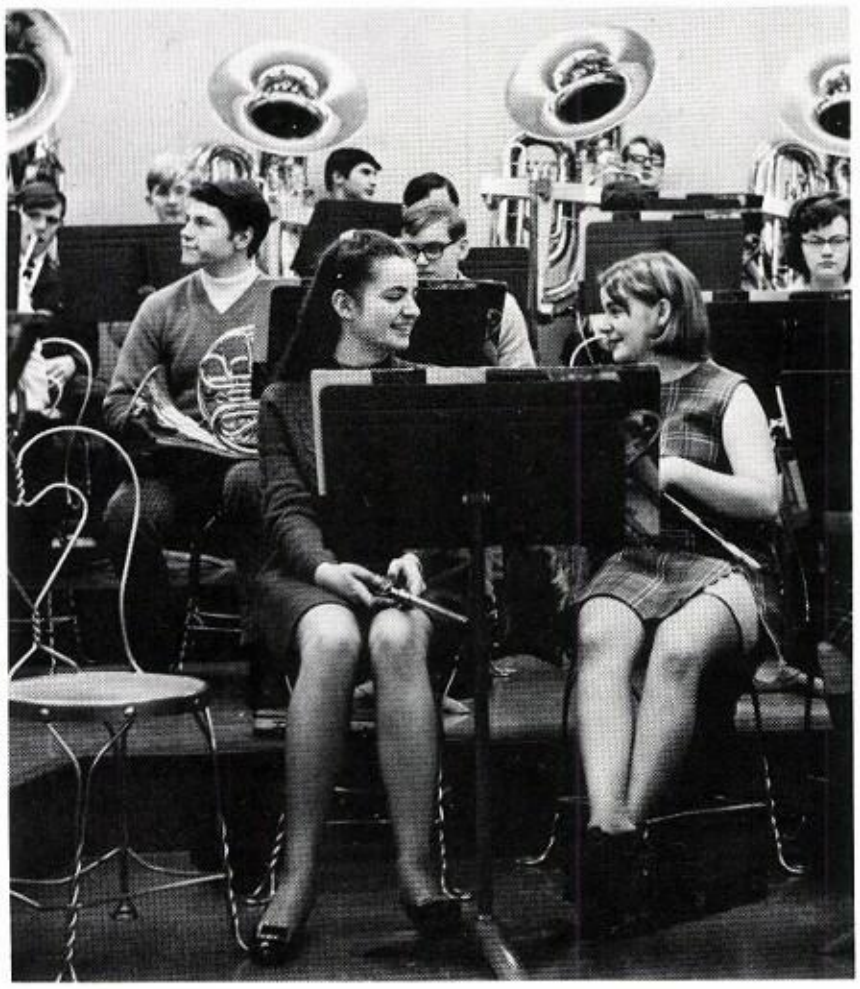
Band

"Victors," the school song, could be heard echoing through the halls as the East High Band welcomed the 1968-69 student body to a year of study and extracurricular events.

Under the direction of Mrs. Kathleen Jones and Mark Bledsoe, student conductor, the band attracted large audiences for concerts in the fall and before Christmas. The annual spring production of Bandtasia highlighted their performances.

Other positions held by band members included All-State Honor Band and the Anchorage Youth Symphony. Seventeen musicians from East were selected from tape recordings to play in the All-State Honor Band with five of them chosen for first chair responsibilities.

The selling of candy paid for a trip to another city where the band held a concert for the residents. Other band activities included band members demonstrating their instruments to elementary school children and making a record of their favorite numbers.



Tia Booth and Diana Cramer discuss some of the music they will be playing in the annual production of Bandtasia in March.

The band finishes a successful pep assembly with their own special version of "Downtown."

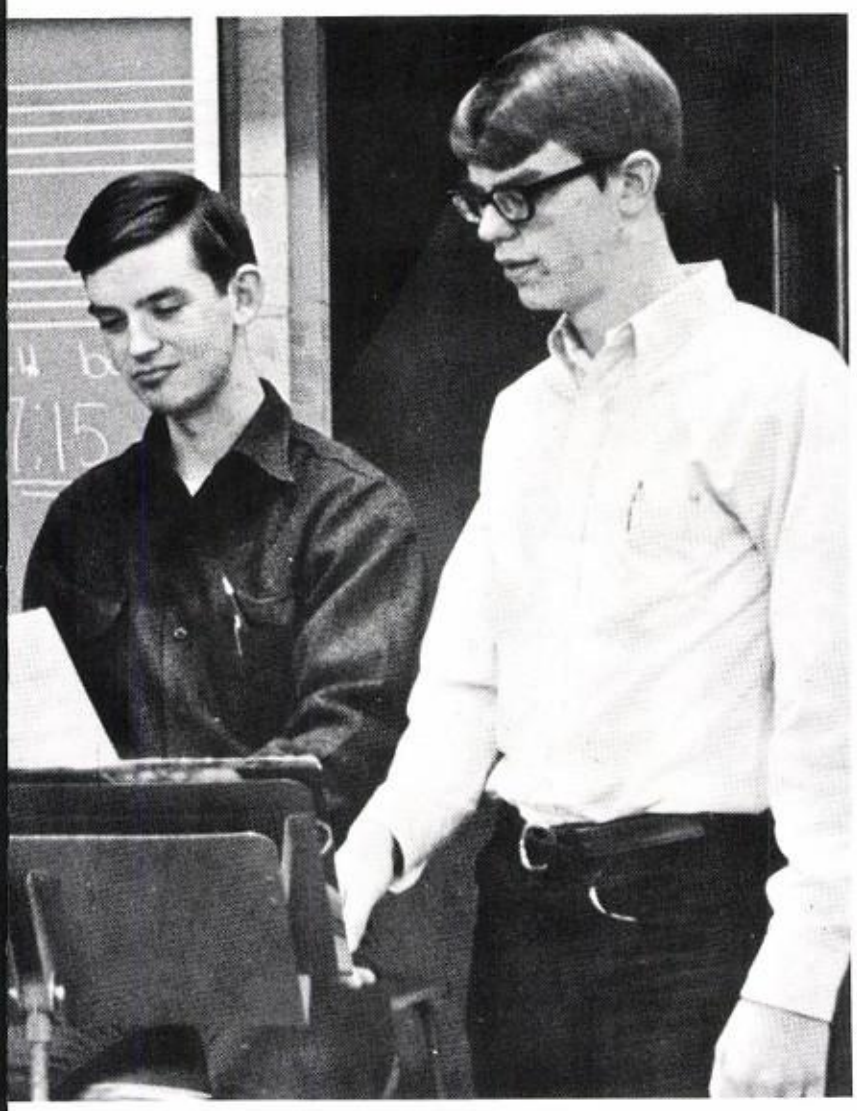
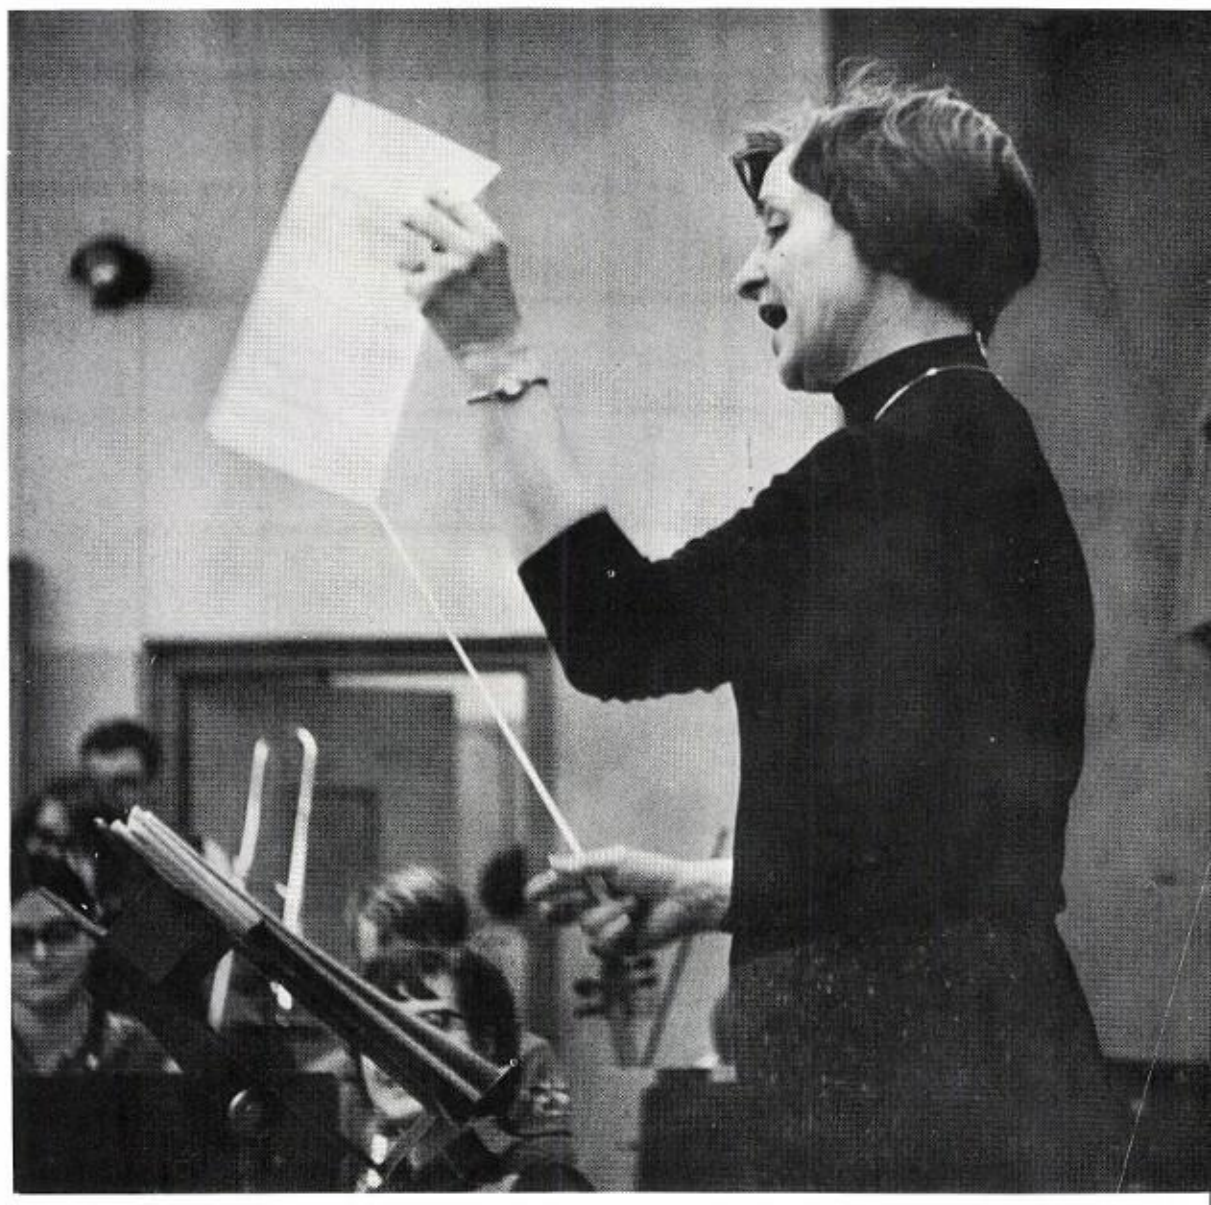
Mrs. Kathleen Jones attracts the band's attention to the next score that they will perform.





Choir

Bringing in a better appreciation of one of the finer arts, East High's choral department offered such varied classes as Girls' Glee, Sophomore Chorus, Barber Shop Chorus, and Concert Choir.

As a regular responsibility, Concert Choir performed at various school and local functions including Thunderbird Dinner, Baccalaureate, and the Music Festival. The Christmas Concert and Spring Concert were also presented by the group.

For those who preferred extracurricular activities, the select vocal group Camarata, consisting of sixteen singers, gave recitals for Women's Club luncheons, Fine Arts Week, and Thunderbird Dinner.

The Music Festival climaxed the year's activities. Camarata, Concert Choir, and other participants joined students from the entire south central region to form a mass choir.

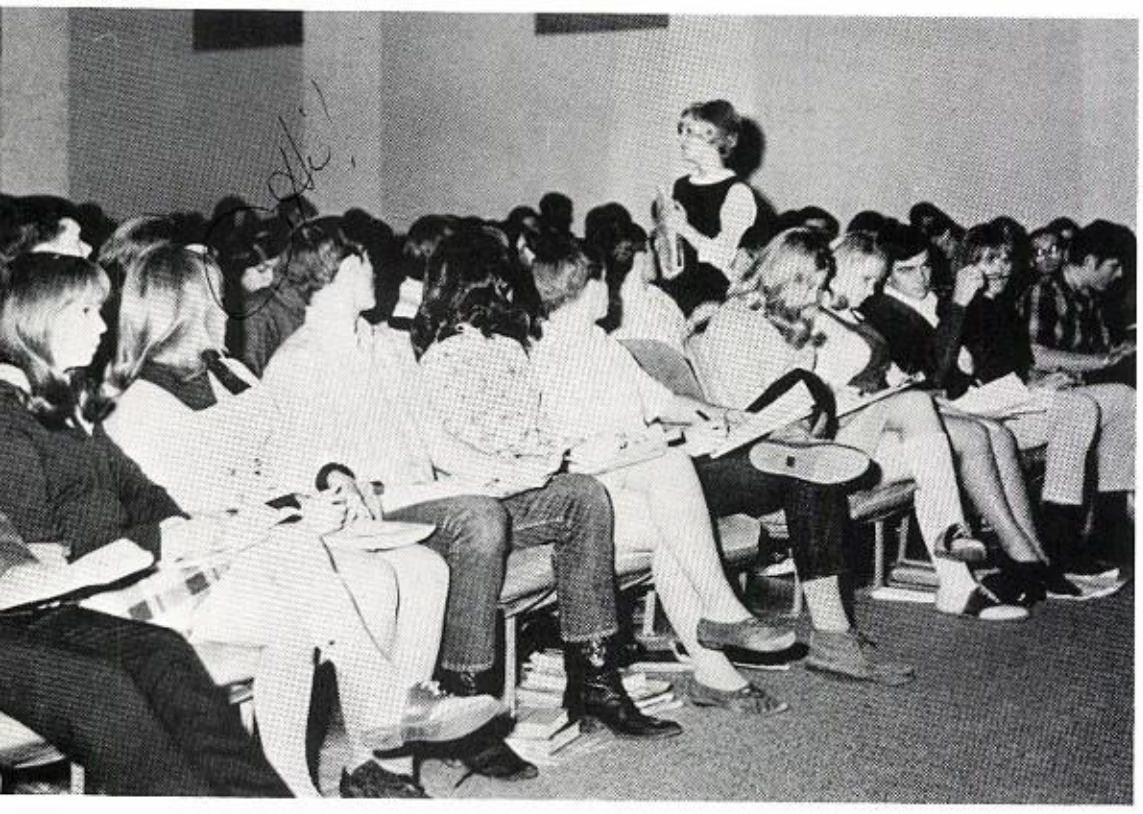
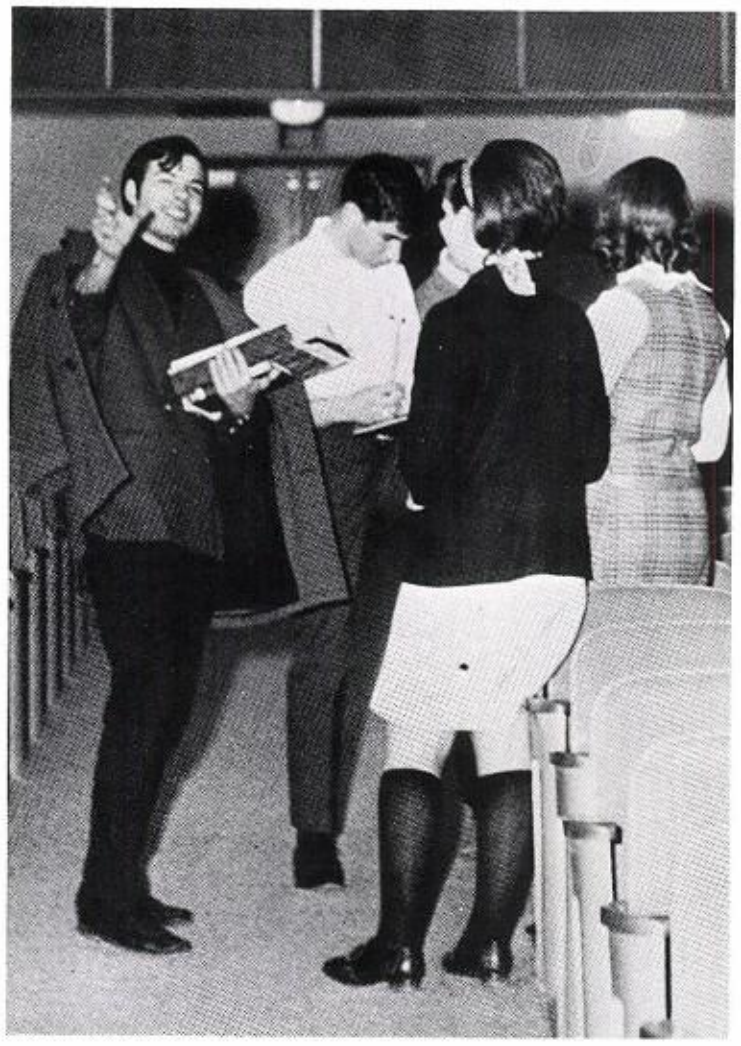
STUDENT GOVERNMENT



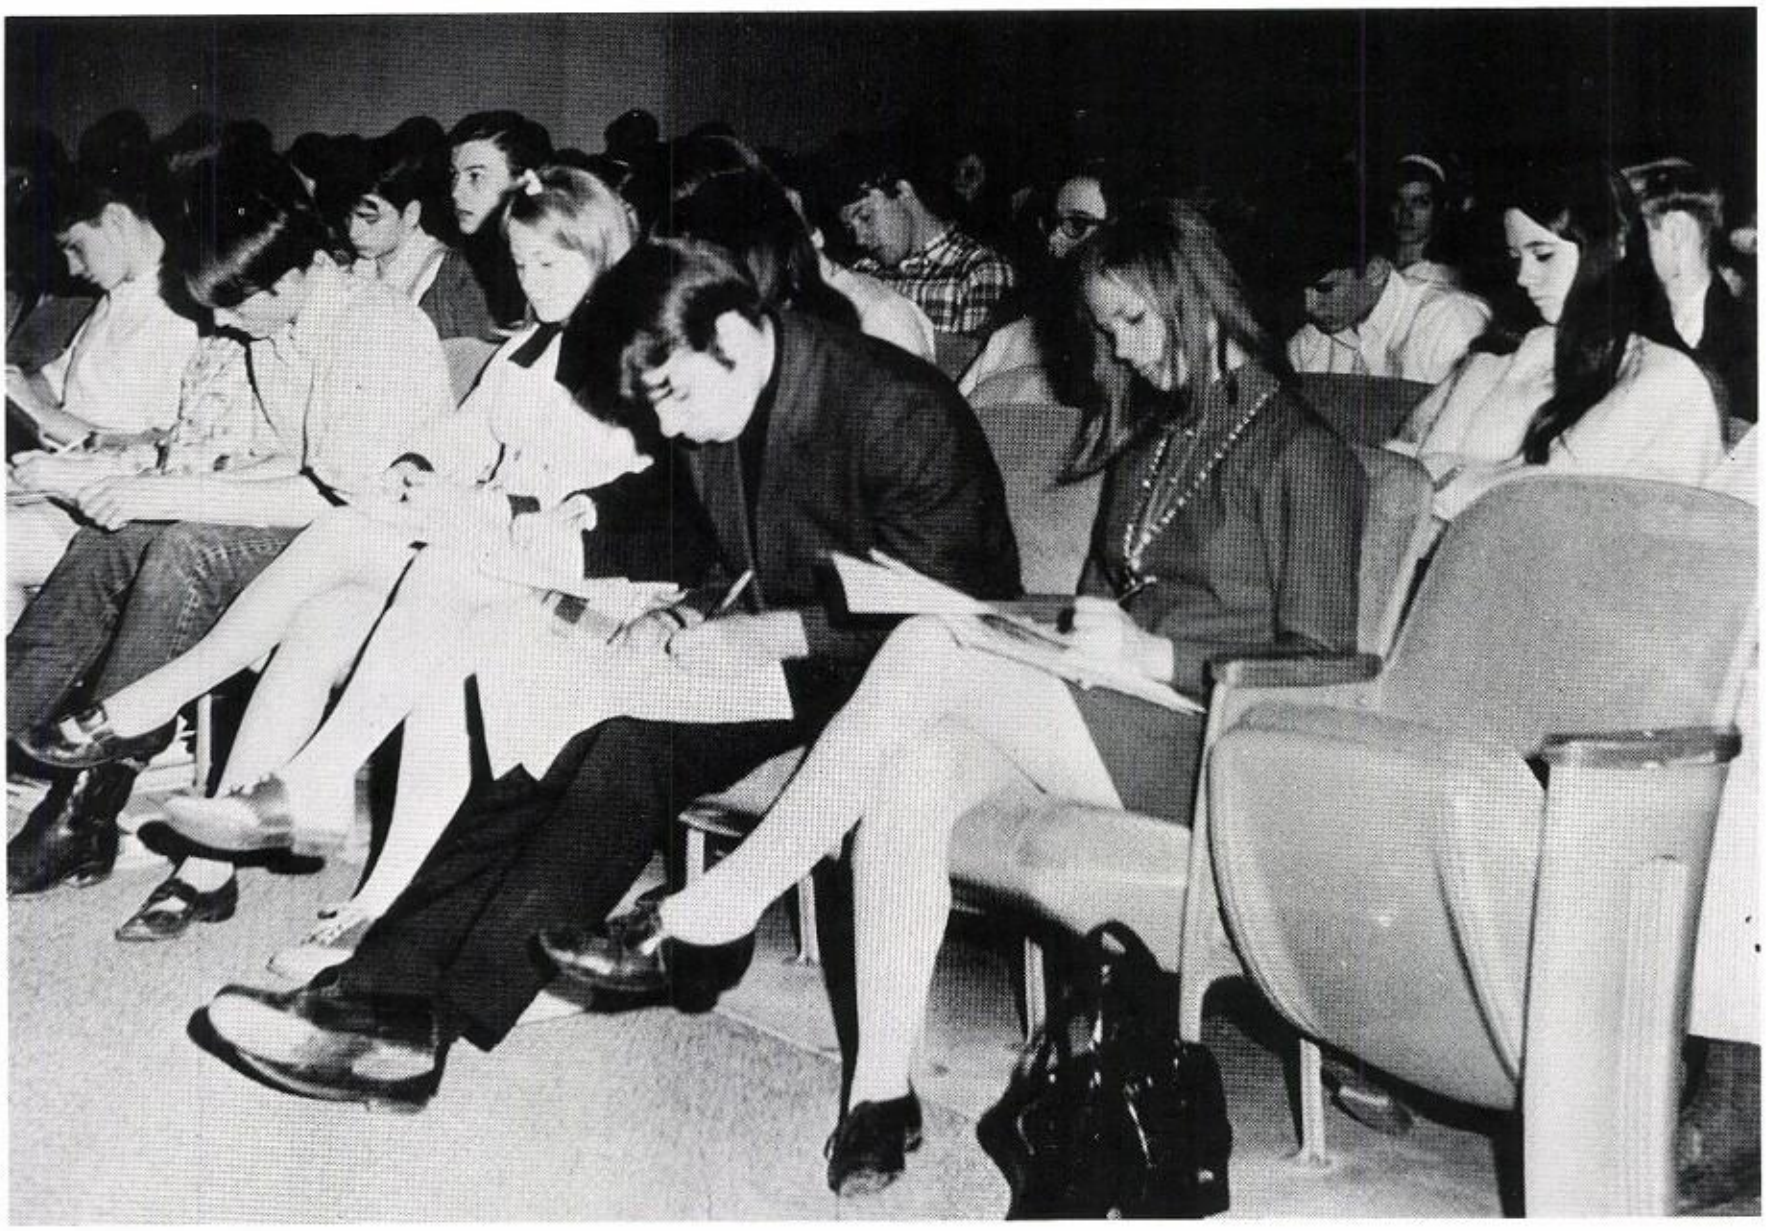
Sue Stepp rises to report her findings on a proposed project.



"Why not call it Barb's Organized Paper Works?" says Joe Stevens to President Barb Brundage as Bob Ortalda jots it down.

In the center, Dave Hammock expresses his opinions to Barb Brundage after one of the student council meetings.

Vicki Catching, treasurer, files her report while Patricia Deloach, assistant treasurer, helps with the folders.



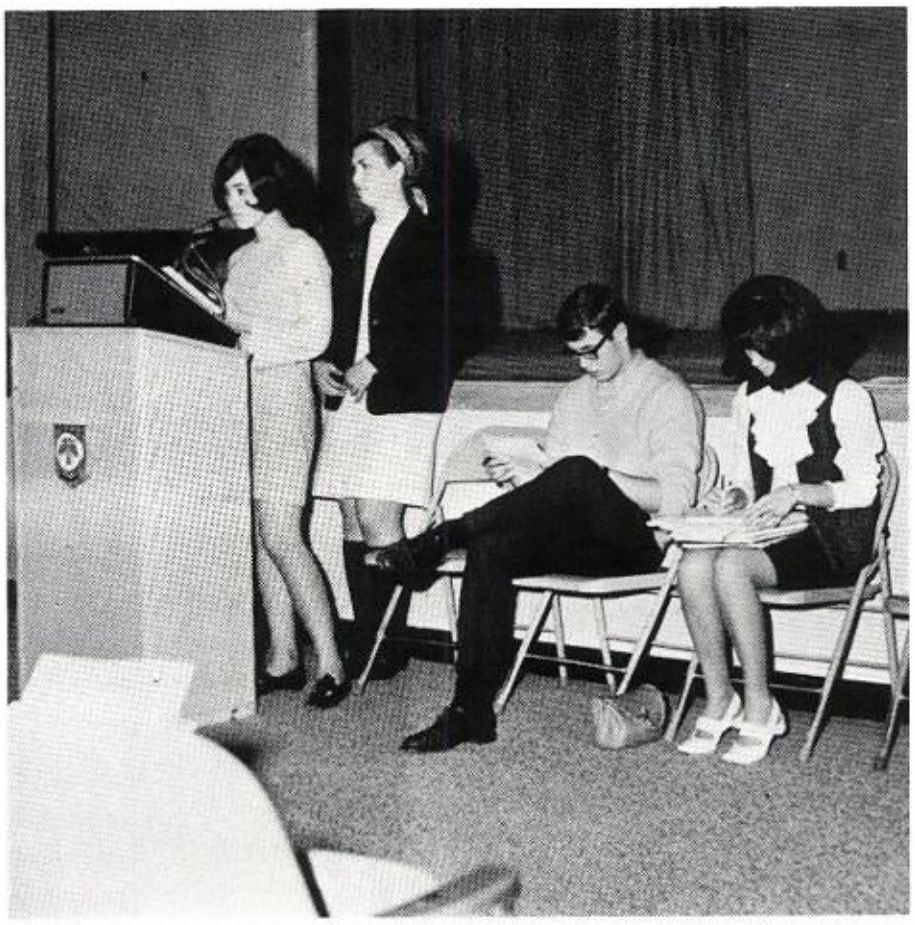
An active group of representatives take notes to present in their class and club reports.

Student Council

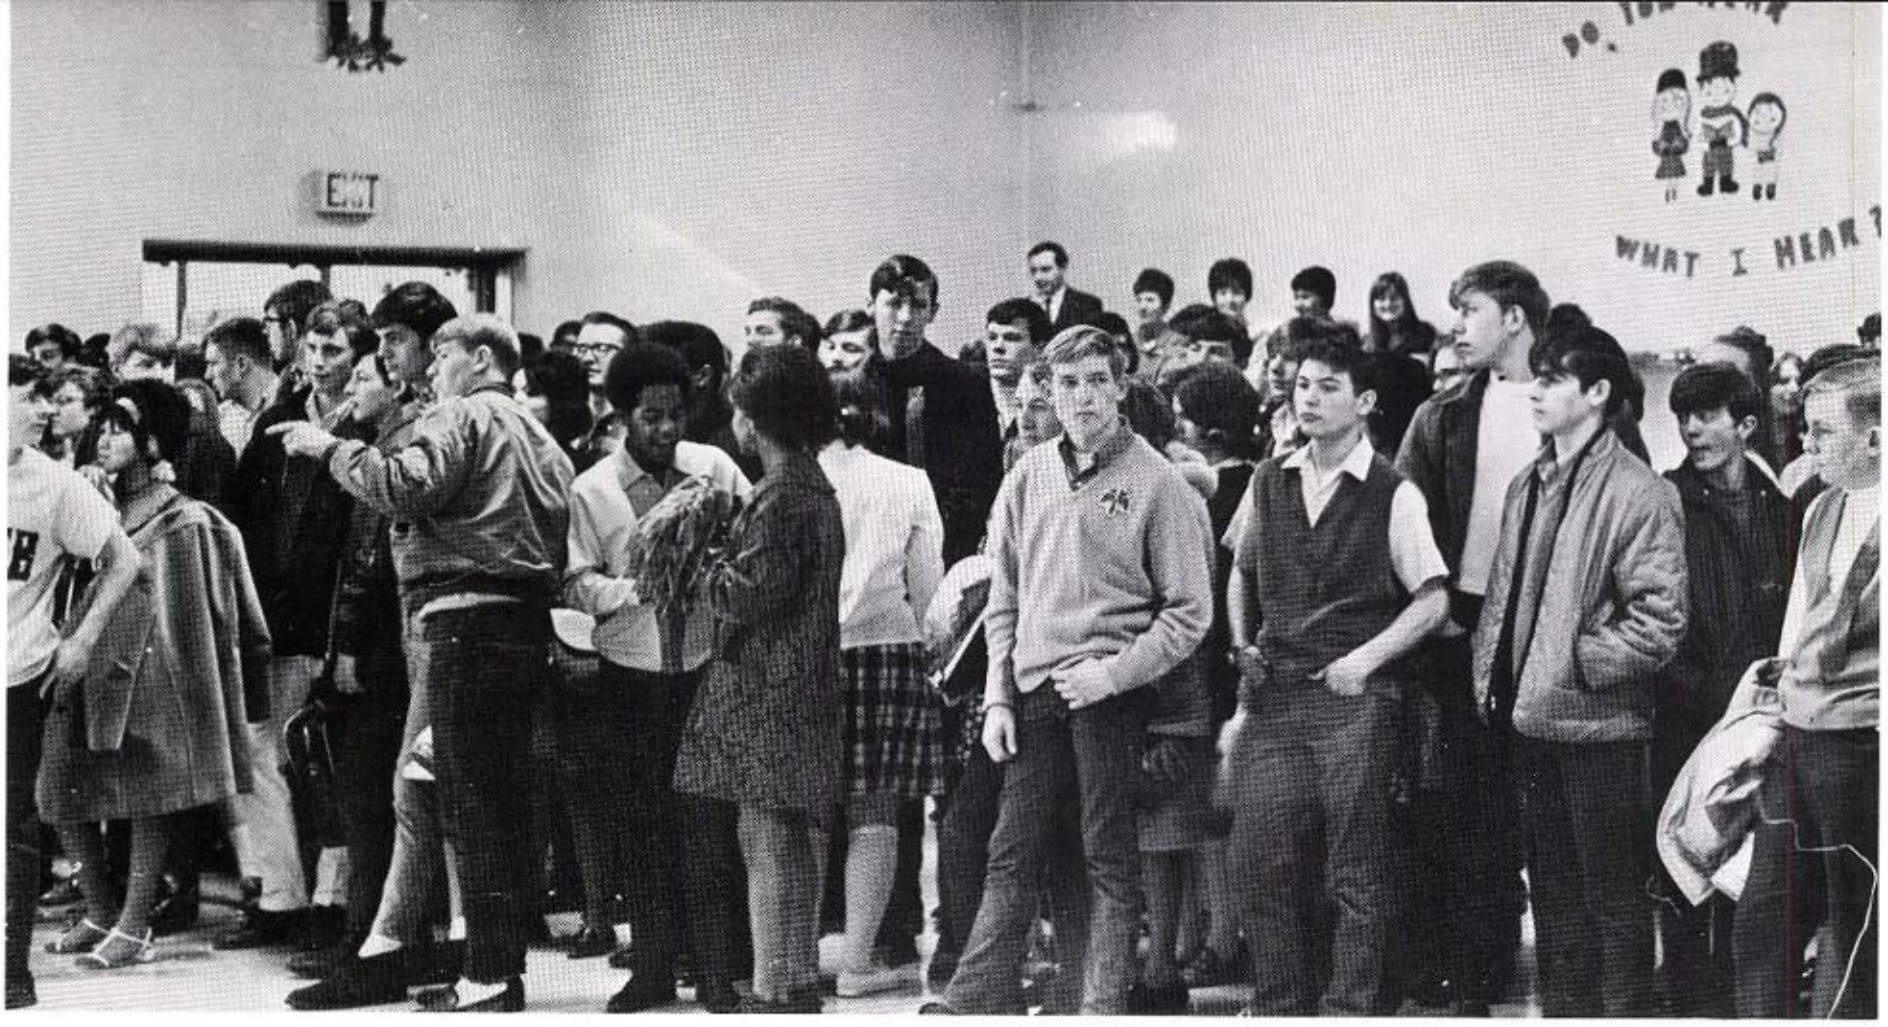
Plunging into a full-scheduled year for East High was the student council, composed of over a hundred members. One of the student council's more outstanding projects of the year was the revision of the constitution. Weeks were spent discussing and amending certain points.

Making the executive decisions of the student council were Barbara Brundage, president; Kerry Kennedy, vice-president; Vicki Catching, treasurer; and Vicki Ross, secretary. Mr. Carl Eberlein was sponsor. The student council headed such enterprises as the Faculty Tea, a school Birthday Party, the Thunderbird Dinner, the Alumni Tea, and Pop Culture Week.

The student council was also responsible for the sport dances, the annual canned food drive, a magazine drive for Patriotism Week, and many of the activities held during the spring.



Vicki Catching, treasurer, submits her report to the council while Barb Brundage, president; Kerry Kennedy, vice-president; and Vicki Ross, secretary, listen intently.



A student council sponsored "sock hop" began the Christmas season's parties and dances for East High students.

Council Projects

President Barb Brundage and Gail O'Neal rake the grounds during East's "Student Council Clean-up Day."

Vicki Ross concentrates on serving cake at East High's seventh birthday party.

Senior Government

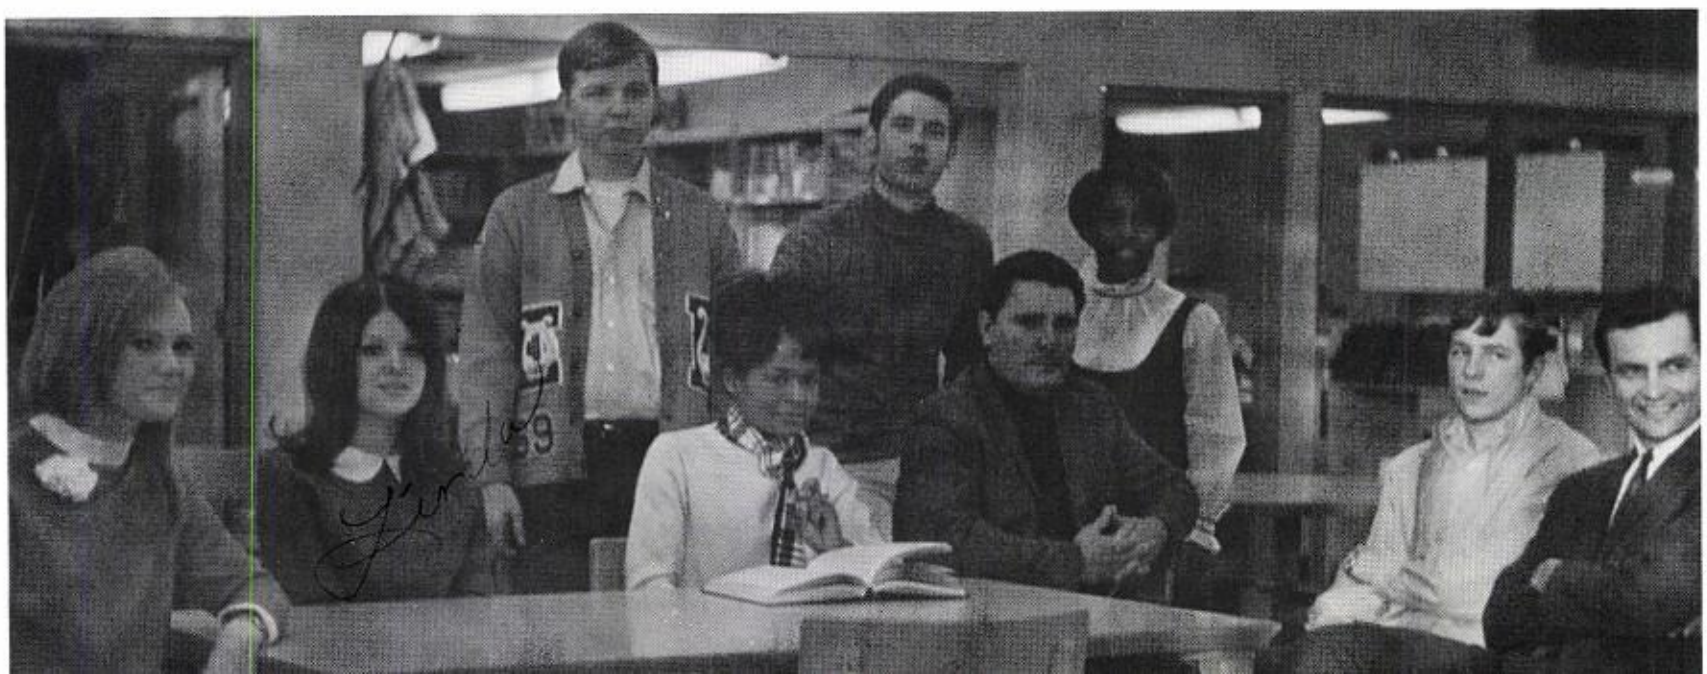
The Class of 1969 began the year by sponsoring the Homecoming float, followed by the selling of student directories and a court decorating contest at Christmas. The Senior Class also sponsored the annual Senior Class Play, I Remember Mama, on January 31-February 1 and the Senior Ball on April 18.

Class colors, flower, and motto were chosen in the spring of 1968 for the forthcoming senior year. Baby blue and royal blue were selected as colors and a red rose was chosen as the flower. The motto for the 1968-69 Senior Class was, "Today we follow, tomorrow we lead."

Becky Thomas, Senior Class president, pauses in front of the senior bulletin board.

The officers for the 1968-69 Senior Class are Delia Otter, treasurer; Vicky Phillips, secretary; Becky Thomas, president; and Lorene Grover, vice- president.

The Senior Class advisory board members are SEATED: Anne Sweet; Linda Hume; Linda Harper; Mr. Robert Clutter, sponsor; Roy Middleton; and Mr. Dale Magstadt, sponsor; and STANDING: Dennis Goff, Jerry McLane, and Cheryl Jefferson.



Junior Government

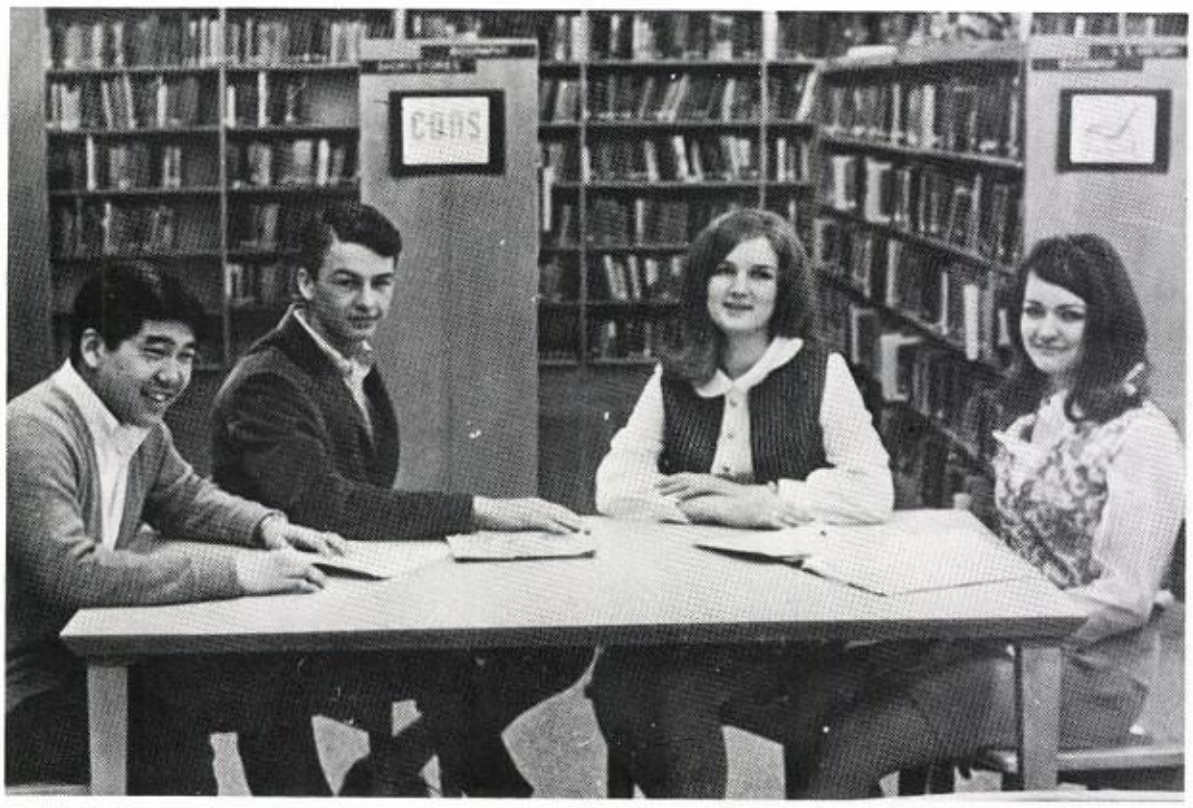
Spirit reigned in the juniors as they claimed the Spirit Jug at the first pep assembly of the year. It was this unity and enthusiasm which carried the Class of '70 through their junior year.

Various projects the class sponsored were the Homecoming bonfire; the Junior Prom; the court decorations at Christmas and during the Fur Rendezvous; and the Junior Class play, which was in April,

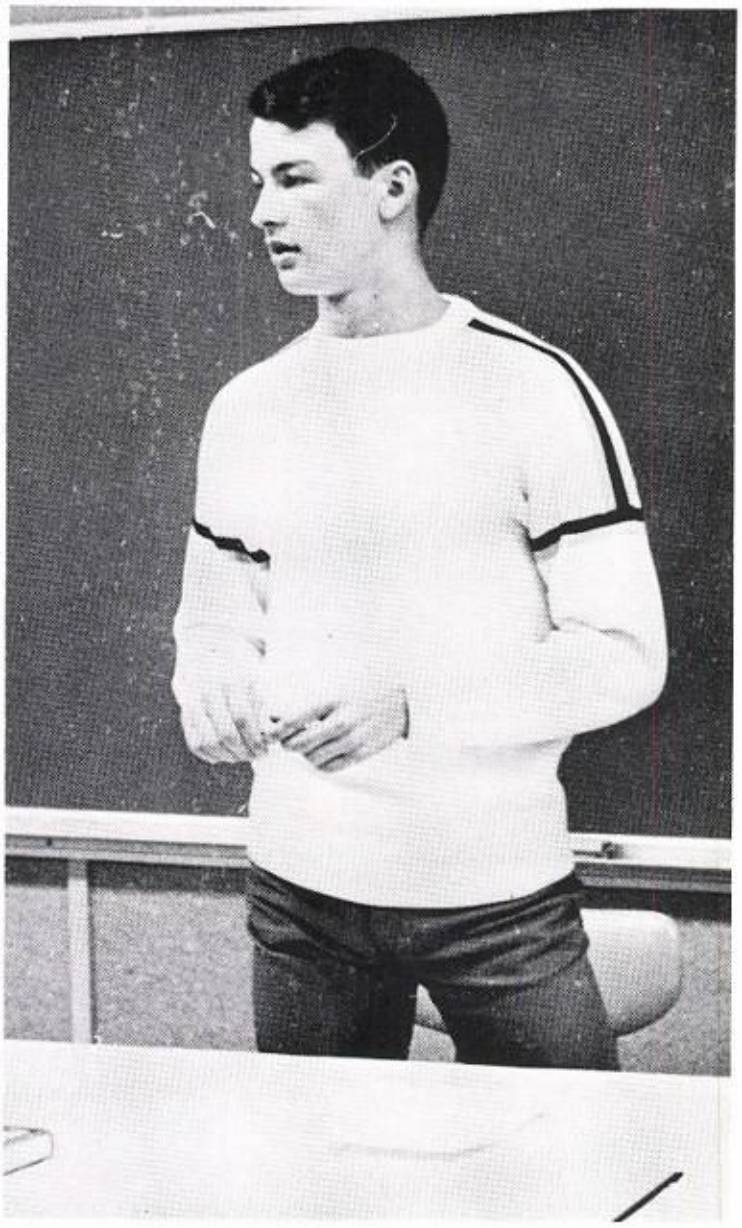
Placing the letters "East Anchorage High School" on the west wall of the building near the main parking lot was chosen as their senior project.

The juniors voted their class motto to be, "Knowledge comes but wisdom lingers." Class colors selected were white and sapphire blue.

Junior class sponsors and advisory board include Mr. Chuck White, Rhonda Gardner, Mr. Arthur Arians, Holly Watkins, Mr. Herbert Niemoth, Margo Bell, Bob Fisher, and Linda Willings.



Taking a break from their work, Junior Class officers are Stacy Taniguchi, vice-president; Tom Wellman, president; Cheryl Chesnut, treasurer; and Mary Stephens, secretary.



As a good example of leadership, Tom Wellman listens intently to the new ideas of others.

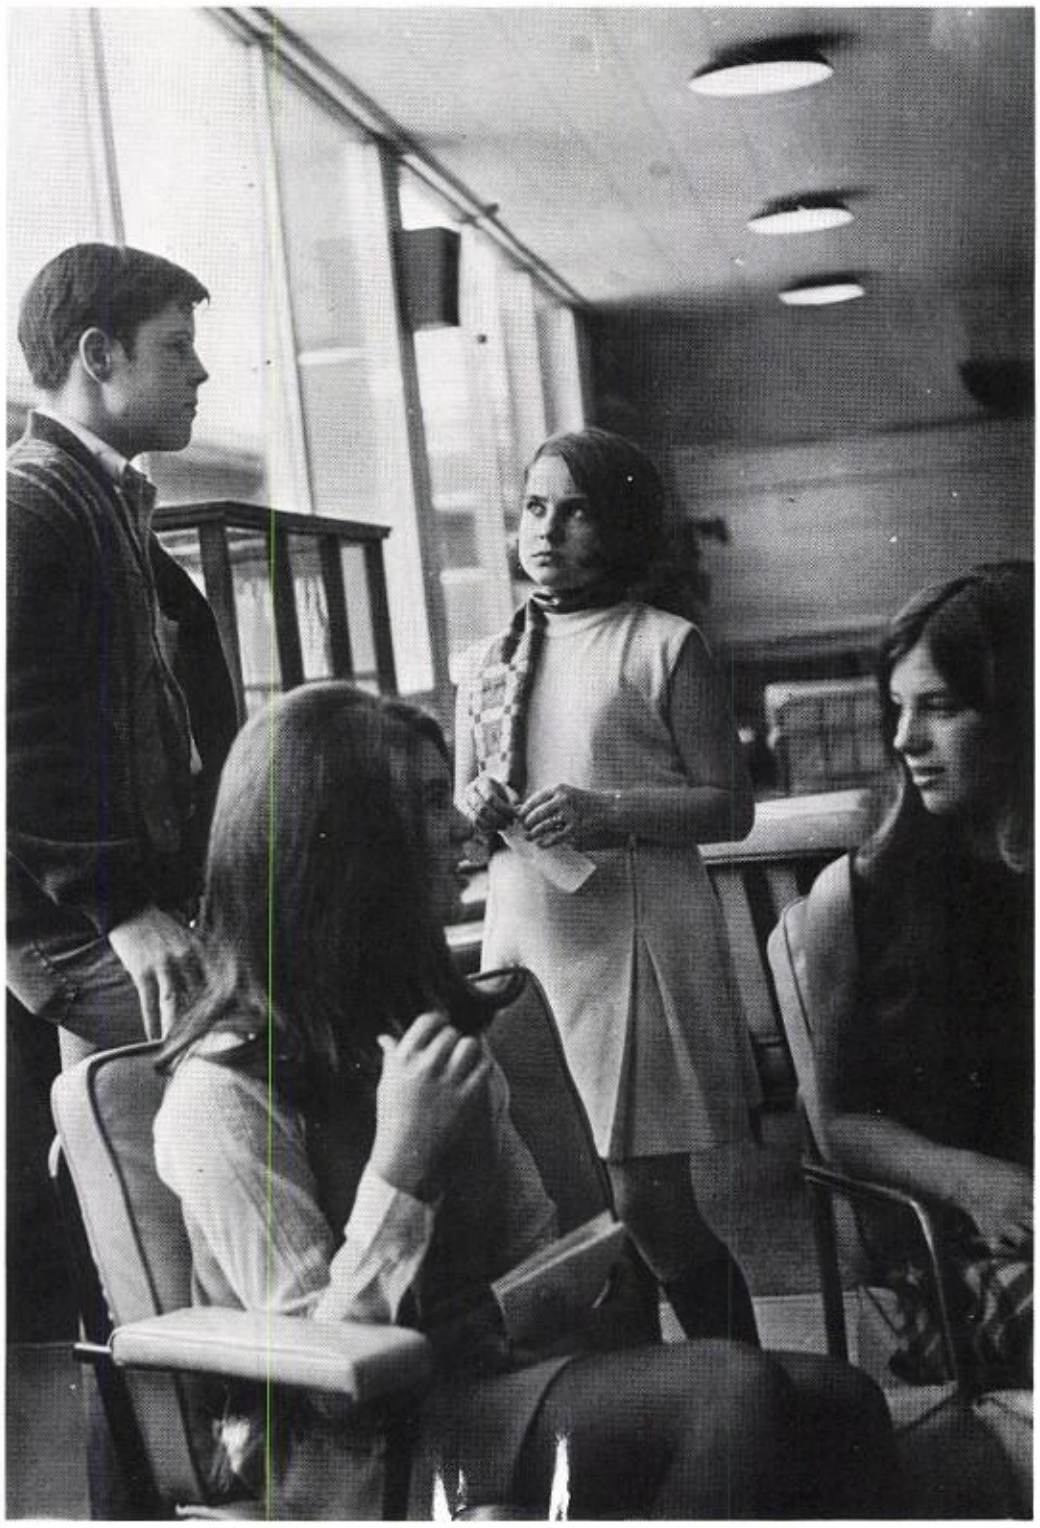
Soph. Government

The Senior Class of '71 began by sponsoring a Homecoming spirit campaign which included pep banners, buttons, and student lounge decorations.

Action continued as sophomores operated the fortune telling booth and acted as student waiters at the Thunderbird Dinner.

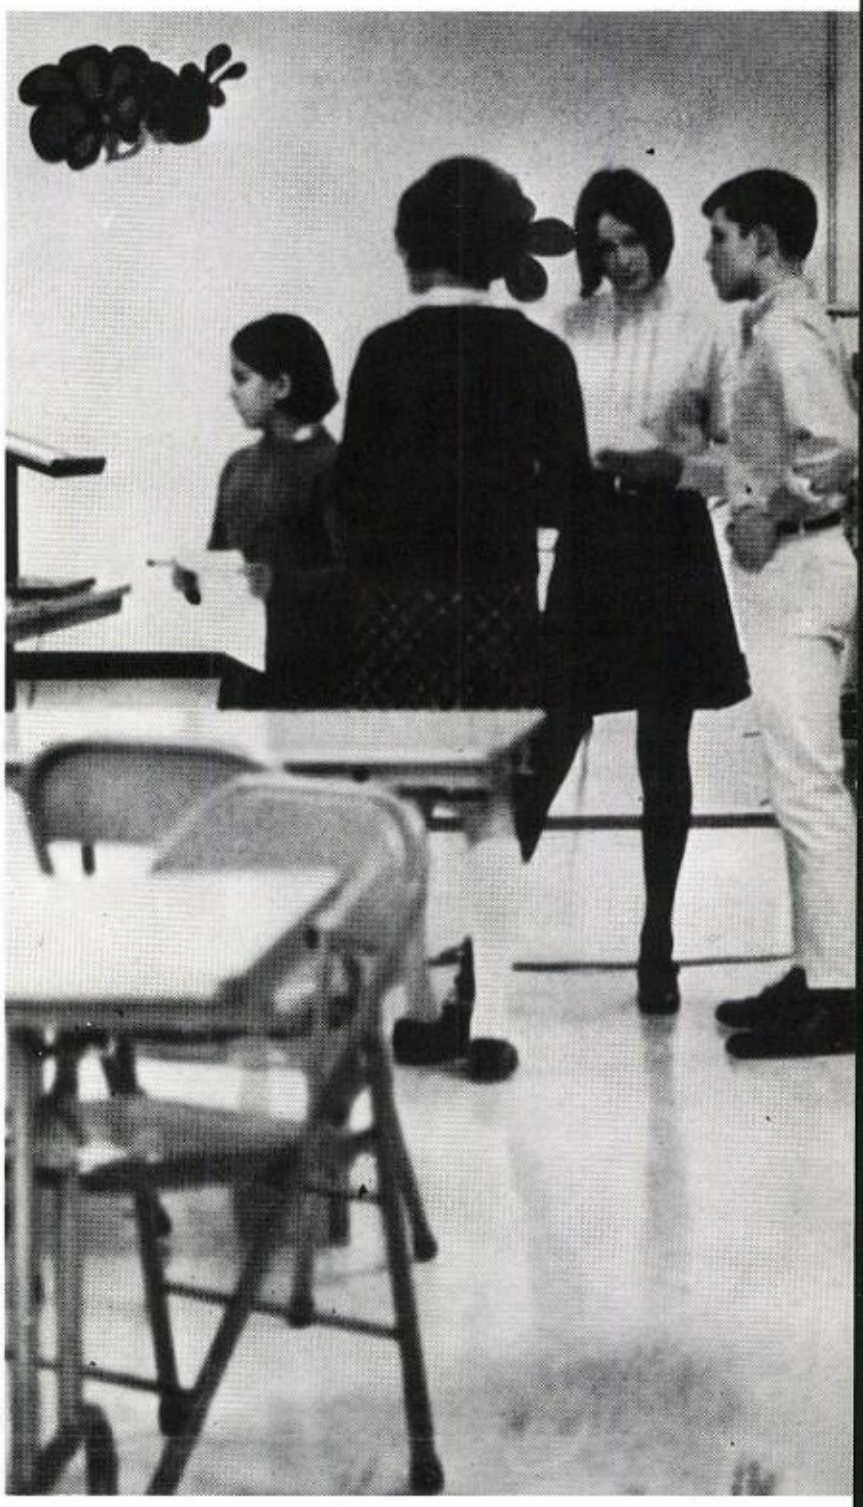
In November faculty sponsors Mrs. Laurel Johnson, Mrs. Linda Van Tassel, and Mrs. Helen Ellis aided the officers in the selection of six advisory board members. Board members proved to be key organizers for Christmas and miscellaneous projects.

By a class vote burgundy and silver were chosen to be the class colors and the white rose, class flower. Slogans were suggested for a class yell and by a final vote the sophomores chose "Future America we will run, Senior Class of '71!"



Discussing upcoming activities in the student lounge are Sophomore Class officers Jay Thomas, president; Barb Stepp, treasurer; Pam Jester, vice-president; and Cheryl Gorsline, secretary.

Working together in drafting their class constitution are sophomore officers and advisory board members Jay Thomas, Kris Karstetter, Brenda Ramert, Pam Jester, Pam Catching, Cheryl Gorsline, Pattie Setter, and Richard Willing.



Pam Jester, Kris Karstetter, Pris Ladd, and Jay Thomas go over details before a sophomore class meeting.

Mr. Richard Nixon overcame Vice-president Hubert Humphrey to become President of the United States.

President Lyndon Johnson stunned America with his refusal to run for re-election.

Millions of Biafrans suffered from malnutrition as Nigeria cut off aid routes to the rebel state. Sister Helen King of Ireland at a hospital in Emekuku, Biafra, is one of the many people trying to help the embattled Biafrans.

In Retrospect . . .

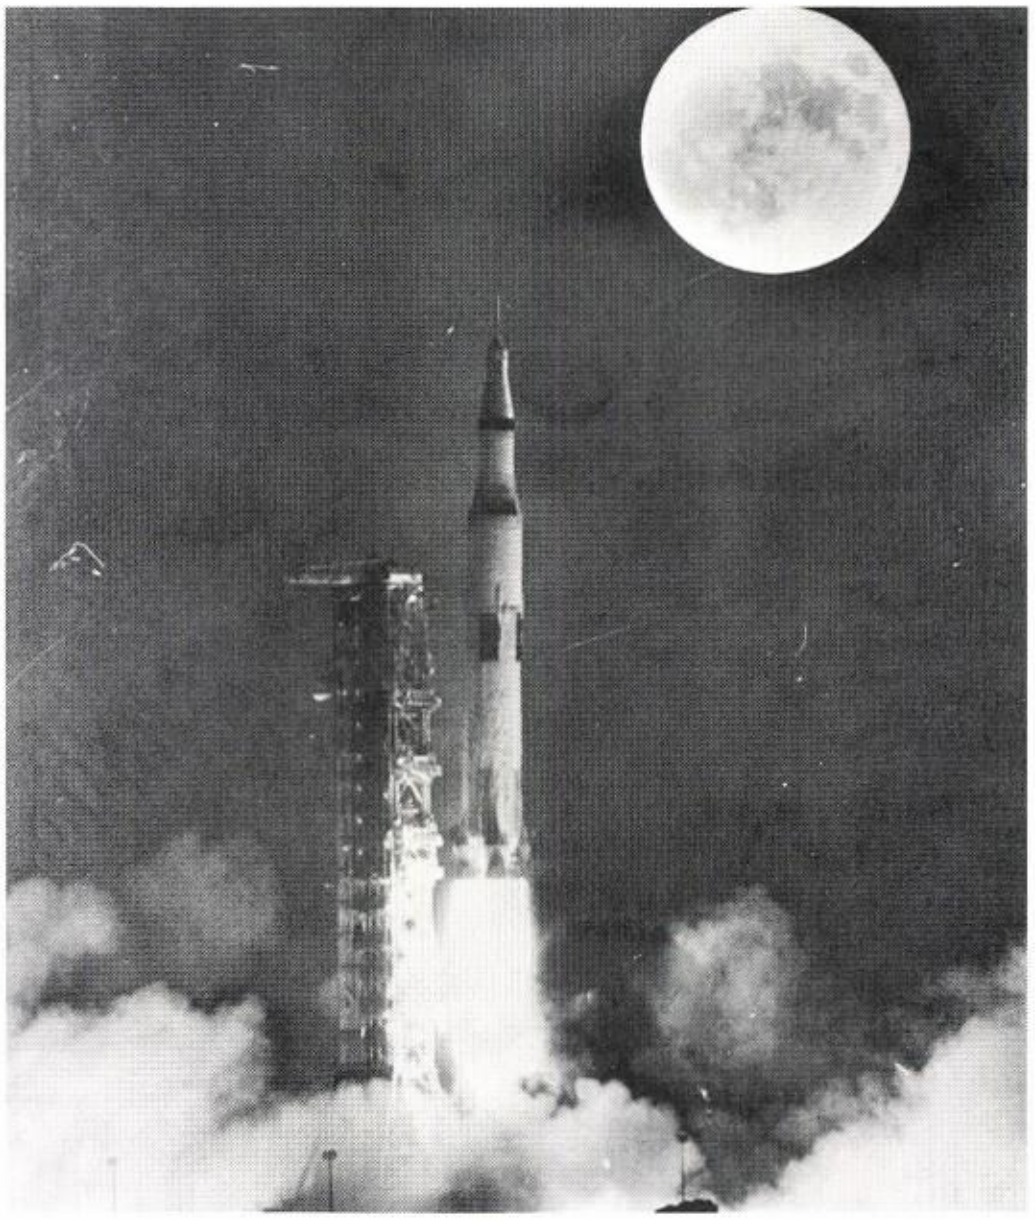
Brilliant successes and monumental failures marked the year of 1968-69. During a year of heated political contests, many noted figures faded in and out of the limelight. The American two-party system of government was challenged by George Wallace in a third party bid for the presidency.

The tenuous thread of hope for peace in Vietnam was strengthened by the opening of peace talks between the U. S. and North Vietnam in Paris. Offsetting this step toward global peace was the Biafran rebellion. Aside from war casualties, more than a million people died of starvation.

Display of armed might was not limited to Africa and Southeast Asia. The Soviet Union's occupation of Czechoslovakia threatened chances for East-West cooperation.

Despite political chaos at an international, as well as a national level, scientific achievements were numerous. As 1968's seemingly miraculous heart-transplants became more commonplace, Apollo VIII and IX expanded men's frontiers with NASA's space exploration program progressing in a string of stunning successes.

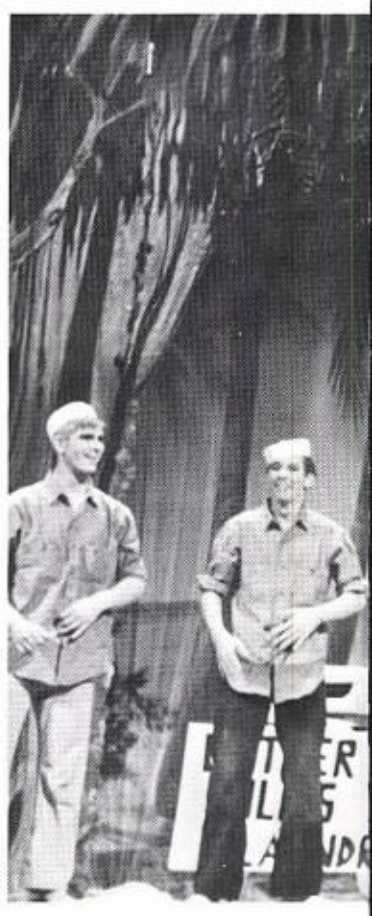
In a year of conflicting events, student riots were balanced by gargantuan efforts of many separate organizations to aid the suffering Biafrans. North Korea returned the crew of the USS Pueblo; but, conversely, the USSR invaded Czechoslovakia.



NASA continued probing into space with the highly successful Apollo series. This double exposure shows the Saturn V booster lifting the Apollo VIII spacecraft towards the moon.

The Soviet Union invaded Czechoslovakia and reversed the liberal trends of the Czech leadership. Here a Soviet military policeman watches Russian heavy trucks roll into Jirikov, Czechoslovakia, from East Germany.

Discovery of expansive oil deposits in Alaska's North Slope area created an influx of men and machines into the state.

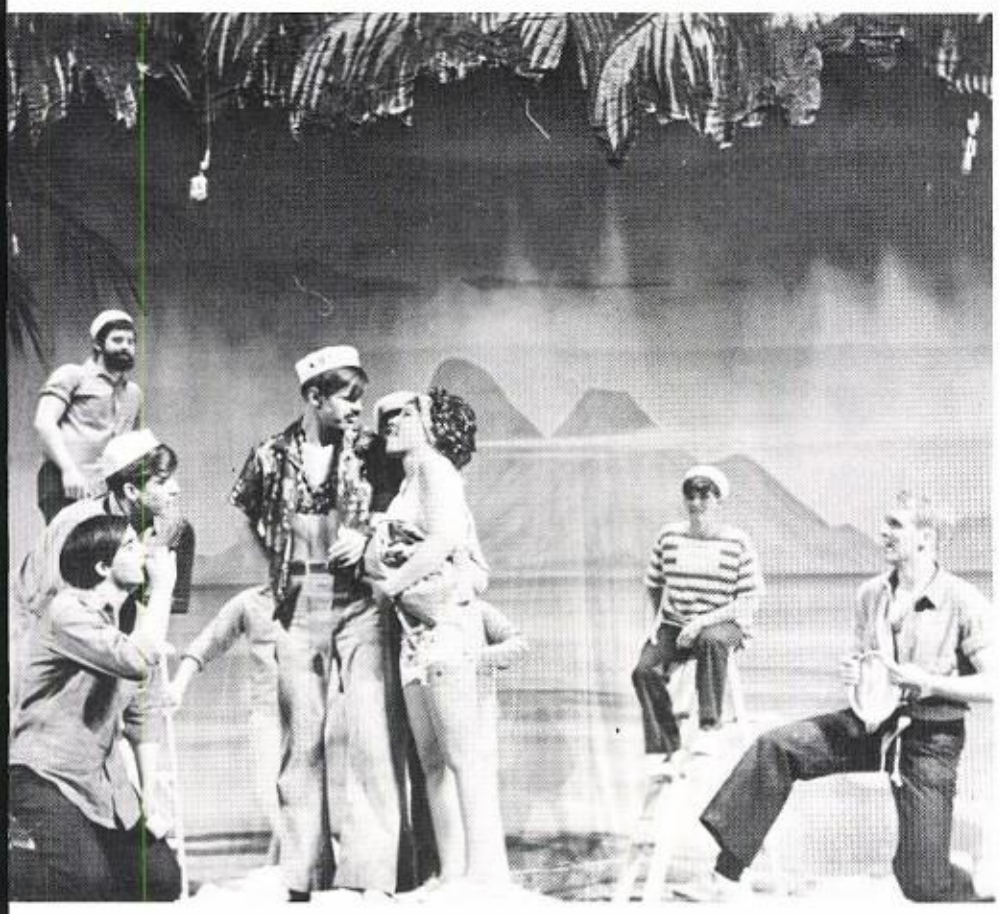


Alaska was plagued by many air disasters in 1968. This twin-engine Aero Commander crashed near Barrow in November killing bush pilot Robert Fischer and six members of the Governor's Employment Advisory Commission.

Miss Alaska for 1969, Gwen Gregg, takes the traditional seat of honor leading the Fur Rendezvous parade through downtown Anchorage.

Former Governor of Alaska, now Secretary of the Interior, Walter J. Hickel precipitated a controversy when he was appointed to the cabinet by President Nixon.

Alaska suffered a loss when Senator E.L. "Bob" Bartlett, long-time legislator and dedicated Alaskan, died of complications following heart surgery last December.



The second annual ABSD four high school musical, "South Pacific," by Rogers and Hammerstein was produced on November 14, 15, and 16 at West High. East student Debbi Bale starred as Lt. Nellie Forbush.

Jan: Thank you for putting up with me & my silly problems? How many times have I come to you in tears over Gary? What makes me feel so good is you were the only friend of my who didn't tell me to leave him. Now that I took your Advice everything is going to turn out so beautiful. Thanks for everything Jan; I know we will keep in touch. I don't have to say really good-bye. Claudia

Jan,

How do you start saying what a best-friend means to a person? For some people its simple — but for me, its hard to find the right words. For once in my life I'm speechless?

Our friendship has meant so much to me Jan. Your really the only friend that I've completly confided in. Remember all our talks about the two greatest MEN in the world.

Your marriage will be so beautiful and loving. God must have spoke to you & Gary and said you two were right for each other. Both of you only deserve the best—so dont except anything less.

There are so many people who are nice but would stab you in the back. You nice from the heart and it makes me feel so good to know your my friend

Dont ever let Anyone influence you to change Jan. Keep your smiling face & wonderful personality,

God will lead you & Gary in the right path so I wont have to be worrying About you two.

I cant wait to see your baby. I'll be a proud Aunt. WOW? I better hurry up and get married —.

I dont even want to start talking About getting stuck in the Rambler, Teen Club & everything else. Those are the times I'll Remember from High School.

God Bless
Love
Jan

Janet,

I'm so glad I got to know you this year cuz you are one sweet, cute, adorable friend that I'll always remember. Jan, I'll always treasure your friendship because it seemed to be the little ray of sunshine when ever I was down and glum and I could always tell you my problems with my parents cuz you never laughed at them. You always sympathized with me and helped me over so many rough spots this year. Never change Jan, cuz you're so perfect the way you are now. You're so kind and understanding but yet you have an innocent quality that you must never lose. I want to wish you the best of happiness in your marriage and I know you will have a beautiful life. Be good and do everything "the book" says to do! Ha-Ha! I heard about your famous comments while reading it in Basic Clothing. I hope you achieve all your goals and may God's blessings be with you wherever you are. Thanks for your friendship and your smile!

love,
